Public Health Work in Allegany County

During the past ten months the State Department of Health, in cooperation with Dr. J. J. Mahoney, district state health officer, and the local health officials, has conducted thirty-one clinics in Allegany county.

The county nurses, Miss Teresa C. Bumpster and Miss Martha Wakeley, arranged the places for the clinics to be held and visited physicians and patients to arrange for the attendance of those needing examinations.

These clinics have been of great service to local physicians by furnishing free consultation. That they have taken advantage of this opportunity is shown by the extent of the work listed below.

Number of clinics, 31. Kind of clinics: Tuberculosis, Toxin, Anti-Toxin, Pre-school, Orthopedic, Child-

dren's conference. Number of patients, 803.
