**Tuberculosis might strike your home today**

THERE is no precaution too great for you to take to protect your home and family from tuberculosis. Your children are constantly exposed to tuberculosis germs. The one effective protection against tuberculosis is the organized, co-operative campaign to stamp out the disease. It can be stamped out. Only half as many people die from tuberculosis today as died ten years ago. The organized battle against tuberculosis, carried on by the Tuberculosis Associations, has helped to save the other half.

Tuberculosis Associations are financed by the annual sale of Christmas Seals. One tangible, sure way to protect yourself and your family against tuberculosis is to buy Christmas Seals.

Buy Christmas Seals. Buy as many as you can. Seal every letter, Christmas card, and Christmas parcel with Christmas Seals.

## Socialism Came Over On the Mayflower

There is nothing new about socialism and government ownership. Socialism came over on the Mayflower. At first the Pilgrim Fathers cultivated their fields in common, but crops were so unsatisfactory that they soon changed to an individualistic basis.

As Governor Bradford quaintly records: "This had very good success, for it made all hands industrious."

When you are told how much better the state will develop our water powers—remember the Pilgrims' crops!

## After You Have Finished Your Christmas Shopping

in your home town and you still have a few vacant spaces on your list, what is the next logical thing to do?

Let us make this suggestion.

Wellsville's stores are the largest stores to be found in any place twice it's size.

These stores are now filled to the brim with the most complete and finest assortment of Christmas Gifts that can be found.

Why not spend a few hours in Wellsville's shopping district, the trading centre of Allegany County? You will be surprised how quickly you will find just the things you want, at much less than you expected to pay.

Isn't this a logical suggestion?

Wellsville's next big monthly sales day will be Wednesday, December 17th. On this day, thirty-eight of the leading stores will offer extra specials on seasonable goods. You will find many gift items offered at a big saving on that day.

Watch for the Saturday edition of the Wellsville Daily Reporter this week for detailed announcement of this big event.
