In 3 Groups Staged for Saturday 9 a. m. 5 DRESSES \$10.00 DRESSES Values to \$25.00 \$15.00 Values to \$39.50

This is positively one of the largest Dress events ever staged in this store—and we have had large ones, as for value-giving new Dresses of style color, complete assortment of sizes, etc. You will find the new Black and White Combinations, Rose Beige, Green, New Blue, Navy and even Black. Everything the market is showing in New Spring Dresses. Dresses that cannot be made for these prices and our reason. Our buyer was fortunate in finding several large manufacturers that needed cash and our buying organization bought them all. We have received our share and again our good fortune is always our customers good fortune. When you see these Dresses you will not be content with one, you will want several, they are wonderful values.
