Stylish Spring Suits

It is dress-up time. Mr. Man-, when new suit—new hat—and new shoes add an new interest to life. The well diessed man is more confident than the slovenly or poorly dressed. And new opring suits are here—an array of patterns that will please the most particular. They are in threebutton single-breasted or the popular off-set three-buiton double-breasted, as shown in the illustration. Quality is in every suit, style lines are there—the very newest—and the price never was so reasonable:
