TIL CRAWFORD is one of the most 1 1. successful merchants in the Middle West. He has built a business in his town that has made him famous - and a mighty substantial citizen! How did he do it? Well, Crawford is a

"born salesman." He knows that if he wants to sell goods he's got to find buyers. And he must persuade folks to come back. again and again.

One of the most forceful things he does is to place in every parcel that leaves his store, a folder or booklet offering an attractive bargain. This enclosure is always an effective piece of advertising, and it gets results.
