PROTECTED

THIEVES hate light. It's poor **L** economy to darken your house when it costs only 3 cents an evening to light up every room.

Cheap electricity is your policeman. Keep your sockets filled with lamps of the right size, and of the new, inside-frosted, non-glare type. When you go out for the evening, leave plenty of lights burning.

Interconnected power plants of the Buffalo, Niagara and Eastern System bring your electricity to you at the lowest possible cost.

Niagara Power Service is the biggest bargain you buy. Use it freely.

NIAGARA, LOCKPORT AND ONTARIO POWER COMPANY
