Father and the boys won't have to thaw out the pump in cold weather if they move it from the yard into the kitchen before the ground freezes. A Cornell bulletin on water pumps and water systems may help plan the change. Ask for E50 on a postcard addressed to the state college, Ithaca, N. Y.

An ironing board is made twice as useful if a Turkish towel is pinned at one end to use when ironing over embroidery work and buttons.

A rubber apron is one of the greatest time and labor savers. To clean it, simply rub it with a damp cloth or if it is badly soiled, dip the cloth in a little baking soda.
