LET OUR

ELECTRIFY

Here's the champion of them all— Dorfan—the big, new engine that outspeeds—outpulls—outlasts them all. The only toy engine you can take apart piece by piece—even the powerful, reversible motor-and easily put together again. The only engine with the patented non-magnetic die-cast housing that enables the motor to develop such phenomenal SPEED and POWER. If you want the best engine in town—get a Dorfan. It costs no more than an ordinary engine and
