CHANGES IN THE VILLAGE LAWS

Approaching Village Election Makes Republication Timely_Office of Collector is Abolished.

The following information relative to changes in the Village Law, effected by the laws of 1927, as com-

piled by the New York State Bureau of Municipal Information is of interest just at this time. Some changes have been made in the provisions relating to eligibility to office in section 42. An appoint-Itive official (except board members) hereafter need not be a resident felector. The mayor, trustees and members of boards must be resiidents and owners of village proper-Senator Arthur Capper who has ty at the time of their election or
