New York Offices:

Homes, Like People, Need New Adornment In Spring-New Rugs Bring New Beauty

"Spare no time, no expense, no trouble—think of nothing but securing the most beautiful rugs America has

produced." Such were the instructions given to our buyer, when he went to New York to attend the Alexander Smith & Sons Rug Auction, and to visit various exhibits of world famous rug manufacturers. For we are determined ever to have rugs of the rarest beauty and distinction.

The rugs he selected as most beautiful are now here and ready for your inspection. And you will not only be enchanted by their beauty, but also be
