OUR KEYNOTE: "If There is Not a Way, Cut a Way."

speress, at the Postoffice at Andover, N. Y.

The Main Thing in Life

WE ALL know plenty of smart fellows who never serious and agree - laugh at them. right get anywhere. They always made the best grades in school and were always ready with an answer to every question. Yet they never accomplish much.

We also know plenty of dull fellows who take ling hose than any of the men. home so much money on Saturday night that if they were paid in silver, they would have to call a five-ton motor truck. In school they were slow to learn. The teacher told them they would never amount to anything — but they did.

The answer is plain. We are all paid in propor- when Miss Jessamine S, Whitney, statistisian of the dressing you may use tion to the ability we use, not what we possess. The National Tuberculosis Association, made public an esti- as follows: One-half cup of powman who buries his talents finds they have rotted mate that there are 270,000 active but unknown and dered sugar, whites of two eggs when he goes to dig them up. The man who uses his undiagnosed cases of tuberculosis in this country. to the utmost develops them and keeps them working "The total number of active cases both known cream.

and unknown," stated Miss Whitney, "are believed to the goods is the main thing in life and is the true measure of any man. The person who pays sees only of annual deaths. Experience acquired during intens- course chopped olives and other ed in what is in the other fellow's head, comes out of it. Are you delivering the goods?

----0----In a case a third party is formed, they will have to adopt a party emblem, and the chances are that it wi' be a wrecking bar.

Profit Here at Home

IN THE years that have passed the people of this raised on the Christmas Seal Sale. community have been swindled out of thousands of' dollars - money which left here never to return, by tactics employed by the oily tongued strangers who of laws, because the fewer laws there are requires have made their "proposition" look gilt-edged when it er officials to enforce them. was really a gold brick.

Imagine, if you can, the prosperous state in which this community would now be if all of the money that Two Ruts Have Disappeared. this community would now be, if all of the money that has been invested in worthless stock, had been put back into this community where it was earned and originated.

A flush of indignation is the emotion the average about with the advent of the automobile, has elimiperson experiences when reading of wholesale swindles. But second that naturally brings the reflection! that most swindles are due to the greed of the swind-] ler, and that they are served right when they allow their avarice to overthrow reason.

When the widow is fleeced out of the insurance money which should have kept herself and her children from want, the indignation is more or less righteous and lasting. Even in such cases as these, however, had the widow consulted and followed the ad vice of a reputable banker before investing all she had in bule sky stuff, it probably wouldn't have happened. Most of the wealth comes from the soil and one-third of the profit that our land has produced for its owners had been returned to the land in building it up or had been invested in local industries, this spot | would be a treasure island in a sea of business

But no end of advice on the subject will be of any avail so long as people are urged by wily-tongued ! salesmen who never fail to refer to the success Henry Ford and John D. Rockefeller. They forget that there are one hundred and ten million people ; the United States and only one Ford and one Rocke-J' ----0----
