WELLSVILLE N.Y

Defore you lock the doors...

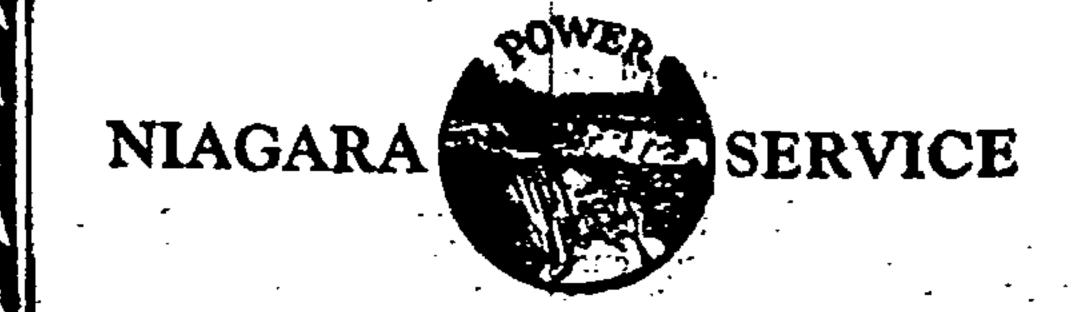

# turn on the lights

OUR policeman will tell you that L burglars shun lighted homes. When glorious summer evenings call you outdoors, turn on a light or two before you leave. The cost is less, than that of a stick of candy.

Your electricity has never before been so cheap. Interconnected power plants of the Niagara Power System supply electric service where and when it is needed. Generating expenses have been reduced to a minimum. Operating costs have been lowered. All these savings are reflected in your monthly bill.

Niagara Power Service actually costs less today than in 1914. You can afford to use it freely.

## New Modes for Fall

Paing Presented Hornell Fair Week

Rintzess

Now in our coat section we are presenting a selected group of Printzess coats in which you will find the individuality and modishness that you want your coat to express.

In these garments one notices that variety and novelty are maintained to a high degree, and much of their charm lies in the freshness of heir design.

Fabrics have been selected for beauty of texture and graceful draping qualities. Silky cashmere broadcloth, kittensear, and habit cloth feature in the street and formal models. Domestic and imported weaves in exclusive, well-chosen patterns are reed in the two red and anortswear

And as always, Main and arments are designed not for the few but for all types. The styles sketched illustrate how very smart fall fashions can be. They are very moderately priced, too.

> For Style, see these Chic Printzess Modes
