It is getting so in Chicago that the guns and bombs! make so much noise that even those who are not get-I' ting shot, have a hard time sleeping.

## The Way of Thinking

IT IS not uncommon for people to remark that "it he United States and the greater temperature range makes no difference what others think." But it does permitted a greater variety of materials and styles for make a difference—a big difference. A community is women's clothes. a collection of people.

This state is a collection of cities, towns, villages and surrounding countrysides. This country is noth- and they hear concerts from all over the country, but ing more than a collection of sovereign states welded the sweetest music to them is when hogs sell around together in a single and central government for their \$14 own protection and advancement.

The government is dependent upon the states, the states are dependent upon their cities, towns and rural nistakes, they would be rich. sections, and all of these divisions are dependent upon the people in whose hands rests the future of them all. So it does make a difference what others think, because year, which would make enough pies to keep 438 peoupon their thoughts, which is the basis for their ac-ple awake. tions, depends whatever course the nation will take. If you and the "other people" think constructively and always have in mind the interests of your com- months are the coldest, munity, you will be better citizens, which is the only "

way the local community, the state and the nation can

keep on advancing.

### Giving the Community Something

La munity, that he may overlook the importance

so kind to him during his attempt to make a living. In Andover, and the same is true of practically and Markets that every one within very community, men are striving to attain wealth the confines of this great state may from their localities, but never consider the thought of have a satisfying Thanksgiving din-.50 giving in return. Few people surrender their personal ner. Ford and he will do a good, thorough job at a fair price.

FORD MOTOR COMPANY

Miss Scott recommends two-piece-35 86 play suits—leggings with loose legs and knitted ankles, which pull on eastly over the shoes, and a blouse cut like a lumberman's jacket with knitted material at the neck, cuffs, and waist to make it fit closely. The blouse should open part way down the front and should be fastened with buttons or zipper fastenings. Inchwide elastic at the waist should be used to hold up the leggings.

TRANBERRIES ADD VARIETY TO MANY RECIPES Combine cranberries with the dough in muffins, rolls, and other breads to vary the flavor and appearance and to add valuable minerals to the diet. by Highway; west by Baker Voes ..... 20 79 suggests the New York State College of Home Economics.
