Christmas Cheer

The editor has heard many complimentary remarks from out-oftown people on the attractive holiday decorations, both by our merchants and at residences. The electric lighted Christmas trees, windows and churches have contributed no small part in brightening up our town in keeping with the season.

does the MODERN GIRL make a good wife?

> ERTAINLY she makes a good wife. True, she has many outside interests. But she has learned that with electric servants, she can have all her housework done by noon—the same housework that grandmother drudged over all day!

Never before has electricity been so cheap—never before so many electric appliances to save women's time and health. Interconnected power plants of the Niagara Power System supply this cheap electric service where and when it is needed. Generating expenses have been reduced to a minimum. Operating costs have been lowered. All these savings are reflected in your monthly bill.

Let cheap electricity do your drudgery. See your nearest electrical dealer.
