## Doctor Found What is Best for Thin, Constipated People

As a family doctor at Monticello. Illinois, the whole human body, not any small part of it, was Dr. Caldwell's practice. Liore than half his babies. They are the ones most c ten sick. But their illnesses were usually of a minor nature-colds all of them required first a thorough evacuation. They were constipated. In the course of his 47 years' practice (he was graduated from Rush Medical College back in 1875), he found a good deal of success in such containing simple laxative herbs with pepsin. In 1892 he decided to use this tormula in the manufacture of a medicine to be known as Dr.
