JOSEPH L. WILLIAMS

Supervisor Elect

J. L. Williams Elected Supervisor of Andover

James D. Cheesman, Democrat, Candidate for Member of the Assembly, Carries Town of Andover by 131 Votes. Democrats also Elect Supervisor, Justice and Collector

Election is over for 1931 and half of the candidates are tickled pink and the other half are busy telling how it happened. But all in all it was a fine election and the results are pleasing to the people because without doubt it went the way a majority wanted. Never in the history of Andover was such a mixed up election. The Democrats won four of the big offices and the Republicans the rest.

It is pleasing to the News because evidently the voters took our advise and voted as their conscience dictated, and not for party politics. There is no question but that Andover is a Republican town by a two-to-one count. Figure as best you may, the most astute political prognosticator can find nothing political in Tuesday's election in Andover.

The Andover Republicans came across with a fine vote for J. D. Cheesman for Member of Assembly. He carried the town by 131 votes. J. L. Williams, Democrat supervisor won over F. S. Potter, Republican candidate by 66 votes. Town clerk A. L. Bloss, Republican, proved that he had the hearty approval of his townsmen, winning over his Democratic opponent by a majority of 219.

The closest contest was that for collector, Mrs. Nona Horan, Democrat winning over Mrs. Maggie Mullen by only eight votes.

E. C. Howland, Republican was returned as Superintendent of Highways over his Democratic opponent by a 79 majority.

A. L. Rogers, Democrat was elected justice of the peace over W. S. Calhoun by a majority of 110 votes.

Four hundred and fourteen votes were cast in both of the election districts, making 828 votes polled. There were six absentee ballots, which made a total vote of 834.

The vote in Andover follows:

THE VOTE IN ANDOVER

Justice Supreme Court		
Sears, R. and D.	685	685 Maj.
State Senator		
Morey, D.	268	
Hanley, R.	410	142 Maj.

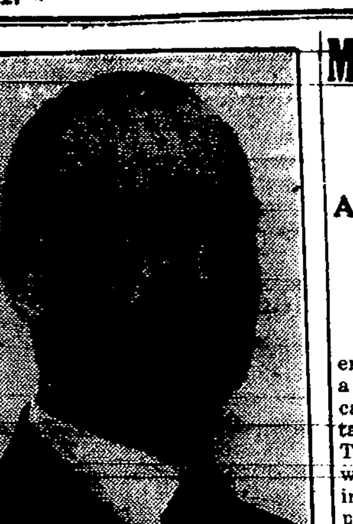
A. L. BLOSS

Elected Town Clerk to Succeed Himself at Tuesday's Election.



J. D. CHEESMAN

Carried Town of Andover for Member of Assembly by a Majority of 131 Votes.

DR. GRENOLDS IS HIGHLY HONORED

Former Andover Physician Was Elected to Fellowship in American College of Surgeons.

It is very pleasing to the many friends of Dr. W. J. Grenolds of Westerly, R. I., to learn that he has recently been highly honored by admittance to Fellowship in the American College of Surgeons. We reprint the following article telling about it from the Westerly, R. I., Sun:

Dr. Walter J. Grenolds is the third Westerly physician to be honored with a fellowship in the American College of Surgeons. He was accepted as a worthy candidate on July 8th and his appointment was confirmed at the conference held last week in the Waldorf Astoria Hotel, New York City.

Dr. John E. Ruisi was made a fellow in the college a year ago, and Dr. John Champlin, Jr., was honored the same time as Dr. Grenolds at the conference last week.

The honor is the highest which can be conferred upon any surgeon, as the members are carefully selected by the membership committee. In order to become eligible for membership in the American College of Surgeons, a doctor must have completed his hospital interneship at least seven years previous and must show proof and records of having performed at least 100 major operations.

1,300 Applications

There were 1,300 applications for membership received this year and only 47 per cent. were elected to fellowships. Of the 600 chosen from all over the country were Dr. Champlin and Dr. Grenolds.

Dr. Grenolds was born at Troupsburg, Steuben county, New York, and spent his early life there. He graduated from the Troupsburg high school and then took a post graduate course at the Canisteo, N. Y., high school.

He next attended the University of Buffalo where he completed his medical course in 1910, being graduated with the degree of M. D.

After a year's interneship at the Erie County hospital in Buffalo, N. Y., and nine months' interneship at the Sisters' Hospital in Buffalo, he started the general practice in Andover, N. Y. He was located there for ten years.

In 1921 he left Andover and studied for a year at the Post Graduate hospital in New York City, specializing in diseases of the eye, ear, nose and throat. He then went to Europe for another year's study at Vienna, Austria and Berlin, Germany.

Returning to this country in 1924 he located in Westerly and opened the first office in the new Washington Trust Building on September 21 of that year. After being there a little over a year, he moved his office to his home at 9 Elm street, where it has since been located.

He has specialized in treating the eye, ear, nose and throat since he started his practice here seven years ago. In 1928 he went to England to study under Sir William Lister in the London Ophthelnic hospital for two months.

He is a member of the Westerly Physicians' Association, being president of the organization at the present time, the Washington County Medical Society, the Medical Society of the State of Rhode Island and the American Medical Association.

THE EVANGELISTIC CAMPAIGN IS ON

Dr. Charles H. Harrington, Former Andover Pastor, Is Here. Meetings Opened Wednesday.

Dr. Charles H. Harrington, a former pastor of the Baptist church of Andover, is in Andover this week and has opened a series of evangelistic services in the Baptist church. Dr. Harrington was well known in Andover and was without doubt the most able pastor that church has had in the last 30 years. He was always loyal to the interests of Andover and will be remembered as an earnest and enthusiastic civic worker.

Come and hear him tell his reminiscences; some are sad, some are bright and humorous. Some are astonishing. Hear him tell what God has done in the bringing in of multitudes to the Kingdom. Not a dull moment, interest from beginning to end.

Dr. Harrington plans to have a service for boys and girls on Friday afternoon, after school. He will give small presents to each one attending. Parents, send your children. He will also probably conduct a service for men only on Sunday afternoon.

Let's make Sunday a great day in the town for this campaign, no matter to what denomination you may belong. Show your interest in this effort by attending the evening service.

Service each evening including Saturday at 7:30 p. m. Dr. Harrington will speak at all services on Sunday. A hearty welcome awaits you. Come!

Edward J. Atwood Dead

The News is grieved to report the death of Edward J. Atwood at his home on Pleasant avenue yesterday morning, after an illness of a few days.

Mr. Atwood was taken suddenly ill last week Thursday and physicians diagnosed it as an abscess on the appendix. As he was not able to be removed to the hospital, an emergency operation was performed Wednesday. Death came Thursday morning.

ANDOVER PUMPER COMES TO RESCUE

Alfred University Closed Down for Lack of Water, Altho There Was a Plenty. Students Win.

Alfred, with a student population of 600, has been in the midst of a water famine for the past few days.

Not only this but the University was threatened with a "strike" of the students shortly before noon Tuesday. George Monks, president of the Alfred University Inter-Fraternity Council and star member of the football team, was appointed representative at a mass meeting of students to confer with officials of the university.

President Boothe C. Davis, who has been in Battle Creek, Mich., undergoing treatment, was hastily summoned home and presided that afternoon.

Headed by Mr. Monks the student body was primarily interested in protecting the standings of approximately 75 students, who left for their homes some days ago. This to the extent that absence from classes no matter for what reason, results in reduction of marks. If absent students received low marks it would create a chaotic condition and with placing a large number on the ineligible list for athletics next year.

An ultimatum that they would not attend school until next Monday was presented by representatives of the Alfred student body to the faculty in special meeting this afternoon at 2 o'clock.

The faculty voted afterward to suspend school until Monday morning, retroactive to Monday, Nov. 2. This determination affects those students who left the university on their own initiative, so they will not lose their marks on account of absence from classes.

The new well, which alone can supply the town's needs, was hurriedly drilled two weeks ago Thursday by Fuller and Rogers of Andover. Awaiting new pumps, it was not producing. With water mains closed to night use, the five old wells furnished a supply for day use until a pump breakdown occurred Thursday of last week.

With this breakdown the shortage grew to unsanitary proportions. Little or no pressure could be obtained because the 150,000 gallon hilltop reservoir was nearly empty. Sorority, fraternity and residential houses as well as other buildings on sidehills were without water.

By agreement with Dean J. Nelson Norwood, at that time acting president of the university, the student body agreed to wait until Sunday midnight before decision as to suspension of school in the hope that an improvised pumping system would remedy the situation.

Several pumping systems were tried on the new well. With an approximate flow of 150 gallons a minute the "load" of the new well proved too much for these systems and each failed after working but a few minutes. Dean Norwood then secured a fire department pumper-truck from Andover and it arrived shortly before 11 o'clock Saturday night and within a few minutes was connected. Thru continuous pumping enough water was poured into the reservoir in an hour to provide pressure.

At approximately 12 o'clock Sunday night village water mains were again opened with the supply proving satisfactory and thus meeting the terms of agreement without suspension of school.

Altho the situation is remedied for the present many of the students have failed to listen to reasoning and are returning to their homes.

Dr. R. C. Hitchcock, chairman of the Alfred Board of Health, late Tuesday morning pronounced unsanitary conditions of last week as remedied. Water from the new well has received approval by the New York State Department of Health. Samples were taken when the well was first brought in, it was said.

Pumping of the new well by use of the fire department engine was continued thruout Monday and until late Tuesday morning when the 150,000 gallon reservoir was filled to capacity. The broken pump on the producing well of the old five has been repaired.

Alfred's total population of some 1,400 people consume during a 24-hour day about 90,000 gallons of water, it was estimated by Water Commissioner Lynn Varn. With the present full reservoir and the continued production of approximately 50 gallons a minute of the five old wells the present supply will last three days, according to computations.

COLLEGE FLAPPER COMING TO ANDOVER

The Eastern Star Show Next Tuesday and Wednesday Evenings, Nov. 10-11 Will Be a Scream.

The College Flapper is to be played in Andover next Tuesday and Wednesday at the Auditorium, under the auspices of the Order of the Eastern Star.

This play has been presented in numerous places in this vicinity recently and it always has been just a scream from one end to the other. The cast of characters for Andover consisting of local people, well known in this town, is found to be good. You will miss a lot if you miss seeing what consummate fools some of our local business people can make of themselves when given a chance on the stage. There are 150 local people in the cast.

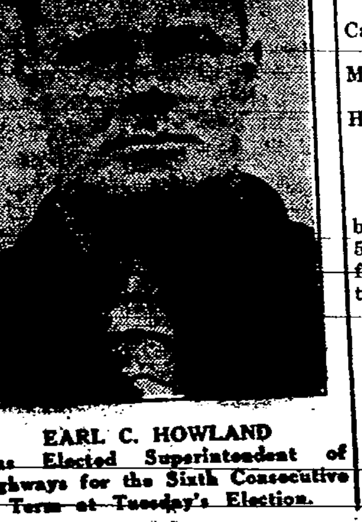
Come out and laugh with us. The depression will be over for you for a good two hours if you join the crowd one of these evenings and go see the flappers flap.

Look over the cast of characters in another column of today's News and then decide for yourself whether or no you can afford to not attend the College Flapper at the Auditorium.

The play is being put on for the Eastern Star by the Universal Producing Co., under the direction of a trained director.

Good Luck at Hunting

Harold Hardy received word Monday that his father, Dr. H. P. Hardy, who was then 150 miles north of Edmunton, Canada, in the Canadian Rockies, hunting big game, got a "full bag." This means he filled his license. That is, a moose with a 54-inch horn spread, a caribou, a mountain sheep, and a mountain goat; a 300 pound deer and two bears, one a 350 pounder. Some of the hunting the doctor done at the altitude of 8,000 to 10,000 feet and in snow up to the waist.



EARL C. HOWLAND

Was Elected Superintendent of Highways for the Sixth Consecutive Term at Tuesday's Election.

MEMBERSHIP DRIVE NOW UNDER WAY

Allegany County Farm Bureau Begin Campaign for Members. Will Endeavor to Reach the 800 Mark.

During the next few weeks farmers in Allegany county may expect a Farm Bureau committeeman to call on him for the purpose of obtaining their 1932 membership dues. The membership campaign is under way thruout the entire county. During the past week, six regional suppers were held at which time committeemen received material which will be needed in the canvass. Dr. James Brew of Albany spoke very interestingly at four of the meetings on the subject of milk control. C. N. Abbey, Cattaraugus county agricultural agent and A. E. Champlin, director of the state school of agriculture at Alfred to committeemen on the activities of the New York State and American Farm Bureau Federations. Much interest was shown and committeemen are going to be out after those members again this year. They are aiming for the goal of 800 members which was set by Farm Bureau chairmen at an earlier meeting.

The "Solid South" and the "Persistent North" are still striving for supremacy. L. H. Jamison of Fillmore has been chosen to captain the Persistent North and Victor Perkins of Wellsville to captain the Solid South. Both men predict that they will win that free meal for their committeemen this year. As it stands now, the Southerners have won once and the Northerners twice. The division of territory is to be left just as it has been in the past three years. However, the Northerners are this year being handicapped 82 members which they had in excess of the Southerners in 1931. It's going to be a real fight with either side standing an equal chance of winning. The check-up supper will be held November 19th in Belmont, the losing side to pay for the winners' supper.

A list of committeemen and the side which they are on is as follows:

"Solid South"

Alfred—Clarence Jacox, George Smith, A. F. Randolph, S. B. Bond, William Woodruff.

Andover: Harry Baker, Carl Clark, Harry Smith.

Belmont: W. N. Francisco, Harry Leilous, Teho Oestreich, Richard Easton, Jim McManus.

Clarksville: Clifford Kratts, Denzil Perkins, Victor Hammond.

Cuba: C. R. Guilford, C. A. Gallup, Edwin Hunt, Joilee Witter, C. F. Moulton.

Independence: R. E. Spicer, Steve Clark, Floyd Clarke.

Little Genesee: M. R. Sanford, H. R. Burdick.

Petrolia: F. H. Witter, Albert Green.

Elm Valley: Frank Mead, Lloyd Mead, Jay Burdick, Leon Wahl.

Wellsville: Albert Schrader, Victor Perkins, Chris. Hornburg, Art Weinhauer.

Whitesville: Theron Grantier, H. E. Leach, B. B. Horton.

Scio: W. B. Wright, L. F. Potter, Robert Cornell.

Willing: Glenn Covill, H. B. Stout, Wm. Shear.

"Persistent North"

Almond: Milton Sisson, Raymond Hanks, I. D. Karr, Ellis Karr.

Angelica: James Young, Charles Gibson, Wm. Breneka.

Belfast: Earl Lilly, Harold Ford, I. L. Collins, Fred Lilly.

Bishopville: Lake Bush, Robert Donnelly, Fred Amidon.

Canaseraga: Jesse Burnside, Frank Coombs, Lloyd Hess, Milo Higgins.

Caneadea: Roy Chamberlain, Frank Molyneaux, Frank Talbott.
