

To A Great American

The rugged character of Abraham Lincoln stands forth in the history of the United States as a landmark and an ideal of The American Character. His honesty and his sincerity remain unquestioned throughout the years. His perseverance in the cause of freedom is an outstanding example of the road to success. . . . In these dull days let us pay tribute to Lincoln, and thru perseverance win our way back to sound and honest business stability. . . . This Bank will be closed all day Monday, February 13th.
