A NEW ADDITION

A score board has been installed in the gymnasium for the basketball games. This is a great advantage to the spectators who will now be able to keep track of the scores of both teams. This will make the games much more interesting for the spectators and should help to increase the attendance at the rest of the home games.

The board was made by two High School boys and donated to the school. They may be sure that it is appreciated and the school is gratified in having this fine improvement.

TEACHERS' CONVENTION

AT WELLSVILLE

Teachers from Allegany and Steuben counties gathered in Wellsville on Feb. 9th, 10th and 11th for the annual spring conference. Many problems were brought up before the conference and which the teachers were addressed by well known educational speakers. The entire faculty of Andover High School attended the conference.

ANDOVER GIRLS TO

PLAY ALFRED GIRLS

On Thursday night, Feb. 16th, the Andover girls will play the Alfred girls in a return game on the Andover court.

Earlier in the year the Alfred misses defeated the Andover girls, but the Andover team, which has shown steady improvement in the last few games, hope to stop Alfred's sensational winning streak which has carried them thru most all of their games this year in easy fashion. The game will be preceded by a preliminary at 7 p. m.

Cop: "Lady, this is a one-way street."

Erma: "Well, I'm only going one way, am I not?"

P. D. R.: "This car has two speeds."

Connie: "Yeah, what do you mean two speeds?"

P. D. R.: "Well, one is the speed it has when I'm telling it to the judge, and the other, the speed it has when I'm bragging about it to my friends."

FEAT ANDOVER GRADERS

In a preliminary game Wednesday evening the Almond graders defeated the Andover graders by the score of 20-11.

The Almond team scored first and held the lead all during the game. The Almond team, boasting greater height had things their own way and the Andover graders could do nothing. The score at the end of the first quarter was 6-4 in Almond's favor. During the second quarter the score was even, both teams scoring two points.

At the start of the third quarter it looked as tho the Andover team was going to win the game, but the Almond team put on a scoring rally that put them out of danger. The final score was Almond 20, Andover 11. The line-up:

ANDOVER TO PLAY LAST

HOME LEAGUE GAME

AGAINST ALFRED

On Thursday night, Feb. 16th, Alfred High School will play Andover High School on the High School court here. This game will close Andover's league schedule as far as league games are concerned. Earlier in the season Andover defeated Alfred at Alfred in a fast game in which Alfred was without the services of her star guard for a half. The game here Thursday night is expected to be one of the fastest to be played this year by the high school team. The Andover team has had its best league season this year and they still have a chance to win the league title but they must win Thursday night's game. A good crowd should turn out to see the Andover team play this game.

?? THE SPY ??

Hello everybody! Are ya listenin' huh? Prepare yourself for an awful earful.

Lever doesn't seem to believe in signs, at least he didn't over to Almond last Wednesday night. If you want to embarrass him, ask him what the sign meant.

A very dangerous trick for any one to pull is to turn out the lights at a high school dance. (Someone might receive serious injuries when all the girls rush for Padden.) Yassah!

Paul seems to think that Almond had a trick wall at one end of their basketball court. He swears that one end just came right out and popped him on the probiscus. Since his nose is broken Paul has decided to have his face lifted. Watch for the 1933 model of a he man's nose on a fissure body when the plaster cast is removed.

I tried to pull a "one-eyed Connelly" trick at the teacher's conference, but I failed to crash the gate so you'll have to ask the teachers what they did with themselves at the conference.

Our science teacher doesn't seem to be satisfied with one "Kelley"—he thinks he should have two—more power to you, Don Juan.

One of our little Senior girls has done herself and one of our big Senior boys a "terrific injustice." It is now rumored that she is spreading out her "net" to snare our innocent and unsuspecting Charlie. She is laboring under a wrong apprehension that she has been done dirt. She isn't lacking from want of assistance in this affair, and if it materializes I will write a novel, with this case as an inspiration for a plot, which would be sure to win the Pulitzer prize.

When the cat's away the mice will play. Helen must have remembered this old saying. What was Helen doing while Jim was in Almond playing basketball? Wasn't she down to Geer's with Pauline or was she home by the fireside? This boy Eddie sure is knocking them all cold. Well, Helen, I am surprised at you to say the least.

Jimmy M. has at last decided that modern gals demand modern methods. Anyway, I hear that he is expecting a carload shipment of pleasure cars and trucks from Detroit.

After reading this column over I have decided that I had better take a trip for my health. I'll send you all a telegram—collect—from Baghdad.

Lovingly yours,

THE SPY—

Some Tragedies of Life

George never had any trouble getting into the offices of important people. His winning smile acted like magic on the girl at the outer desk. But for some tragic reason, seldom was he given an opportunity to finish his story.

Could it be that dreadful thing the mouth-wash ads tell about? "Heavens, no!" George decided, "I use a good gargle morning and night."

No one wants to carry a bottle of mouth wash on the hip. Besides, public gargling is apt to be a bit awkward. Simply pop a "Cryst-O-Mint" life saver into the mouth and all trouble will vanish.

Different foods agree with different people. Don't let stomach ailments keep you from eating pork, bananas, hamburgers, mince pie, peanuts and cucumbers. Try "Tums" for the "tummy" and you will be able to eat to your heart's delight.

How many beautiful young fellows in the world have become wall-flowers at the season's biggest dance because of "chilliness"? If they would try "Freezone," which is the quickest way known to get rid of hard and soft corns and callouses.

Many husbands are perfect grouches every morning. They would be much happier if they would get "Quaker Crackles" because these work wonders with the disposition.

How many women have lost their husbands because of failure to use "Hind's Greaseless Texture-Cream"? Never gamble with your happiness by letting your husband see you with a sticky, grease-smearing face.

These are just small tragedies that occur in the lives of famous people. If you have a problem which you are unable to solve, just consult the advertisements of any magazine. Here you will find:

"Campbell's Soup" for children; "Lux Toilet Soap," to keep that school-girl complexion; "Quavine" to make your child gain weight; "Tangee Lip-Stick" to make your lips lovely and alluring; "Listerine Tooth Paste," to remove that film;

"The Travel Guide," a booklet which tells how one may get to Europe for \$375 and lastly, "Mother Gray's Medicine," for the poor unfortunate ones who are bothered with worms.

It is the little things in life which count, so don't let "pesky little bothersations" blight your future.

Consult your magazine and you will find solutions for all your problems and cures for all ailments.

LAUGH PULLERS

I'm in a 10 der mood today,
And feel poetic 2—
4 fun I'll just — off a line
And send it off, 2 U.

Miss Clifford (telling about a football game): "He drops straight to his goal. He looked neither right or left, but pressed forward, moved by a definite purpose. Neither friend or foe could delay him, nor turn him from his course. All who crossed his path did so at their own peril. What would you call such a man?"

"A truck driver," shouted Dorothy Boone.

Wizzie (giving Jim Lynch some traffic rules): "The sign should be given by holding out the right arm as far as possible, at least 20 or 30 yards before making the turn."

Jimmie M. was running errands for his sister. Among the requirements were some things from the drug store.

"I would like some powder for my sister," said Jimmie.

"Certainly," said Mr. Brundage, "and thinking to have a joke he added, 'Some that goes off with a bang.'"

"No," answered Jimmie brightly, "the kind that goes off with a puff."

ANDOVER GIRLS LOSE TO

ALMOND IN CLOSURE GAME

The Andover girls' varsity team participated in an exciting game last Wednesday, Feb. 8th, when they lost to Almond on their court, by a score of 24-18.

Our girls played their best during the first quarter of the game. Parker and Slocum scored for Andover when each made a field goal.

Smith started the scoring on Almond's team. During this period Andover took the lead 4-3.

Almond was successful in making six field goals to Andover's two and one foul shot during the second quarter. Defense playing during this time was especially good. The score at the end of the half was 13-9.

In the first minutes of the third quarter Coach McLaughlin started substituting, to give the younger players more experience. They succeeded in holding Almond to a reasonable score, 19-13.

The last quarter of the game saw Almond sink three goals to Andover's two field goals and one foul.

The game ended with a score of 25 to 18. Summary:
