THE NEW STAFF

Mr. Perrone has announced a new eligibility rule which one must fulfill in order to be a member of the Hi Herald staff from now on.

No student who is not on either the honor roll or the credit list regularly is eligible to hold a position on the staff. This new rule will necessarily make the staff much smaller, and probably more efficient. The object of this change is that no student who cannot keep his average over 75 should spend much time on work other than his studies.

Mr. Perrone told the members of the staff who are down in their grades that they will be given a chance to bring their marks up in the next five weeks, if they wish to remain on it. It will be more of an honor to be on the Hi-Herald staff now, and a much better paper should be the result.

A.H.S. PHILATELIC ASSOCIATION

Wissner H. Cook Heads Association

A group of the stamp collectors of Andover High School met one week ago Friday to decide whether there was to be stamp club. The decision was made and Wissner H. Cook was elected president; Richard Trowbridge, vice president; Richard Appier, secretary; John Regan, treasurer and Mr. Perrone and Roger Tuttle advisors. The position of reporter was left to be filled at a later date.

There was another meeting held Tuesday noon with eight present. A unanimous vote made it favorable for Richard Appier to be reporter and secretary combined.

A new Scott's Stamp Catalogue will be purchased in the near future and will be kept in the High School library, which is open to fourth periods both in the forenoon and afternoon. The book, however, will be kept in the librarian's desk and only members of the club may have access to its use.

OUTLOOK FOR TRACK

This year Andover intends to have another track team. Last year Andover was best in its class in the county and they hope to retain the title. The season will start with a Triangular Meet at Wellsville April 29th, between Andover, Canisteo and Wellsville. This will be followed by the Interscholastic Meet at Alfred on May 5th. The team will probably close its season at Rochester at the Inter-Sectional meet at Rochester.

To be eligible to attend this meet a person must finish either first or second in some event at the county meet at Wellsville which will be held some time late in May.

MUSIC DEPARTMENT

Operetta—That word seems to circulate quickly. It's on everyone's lips, in everybody's ear. And why shouldn't it be? We're going to be kind now, and give you a glimpse at the cast of characters:

Birdie Boggs, a sweet and simple freshman girl, Veronica O'Hargan Amy Arnold, a bright and efficient junior ----- Pauline Gath Dolly McSpadden, daughter of the college president Margaret Powers Miss Agatha Lockstep, house-mother at girls' dormitory—Ruth Farwell Dr. Cicero McSpadden, president of Marden College, Edward Brewster Mrs. McSpadden, his wife.

Dorothy Oakes Mark Watson, college yell leader, James Mulholland Hamilton Hunter, leader of the glee club ----- Malcolm Brundage Willie (Sleepy) Carter, a freshman, Wissner Cook Marjorie Blackwood, the belle of the campus ----- M. M. Lynch Dan Flannigan, a smart young motor cop ----- Richard Appier Kenneth (Snooze) Andrews, the comedian of the glee club.

Max Baker

There are choruses of college boys and girls whose names will be printed in a later edition.

Let's get a peek at the halls of Andover High at 4 p. m., almost every afternoon:

Max Baker tapping a lovely chorus girl on the shoulder as she is pulling an enormous black rubber on a little foot. "Say, young lady," he hums, "operetta practice tonight. Didn't you read the bulletin board?" The sweet chorus girl removes enormous black rubber with a grunt very unbecoming and drops it in her locker. A familiar orange and black book is removed (we recognize it as the music book of the operetta) and the sweet young thing marches down the hall to the music room to the strains of "Marching Marden Men" which float from Miss Russ' room. Just as the college-chorus-girl reaches her destination, she is astounded to find boys in regular prison fashion (right hand on shoulder in front) marching from the music room to eighth grade room. Piano following—no, not walking—Max at one end and Wizzy at the other). "Not 'nuff room in there," Jimmy Mulholland informs us in his baritone voice.

Candy Sale

There was a candy sale held in the school library last Friday. Watch the school blackboards for notice of a candy sale on Fridays. The candy is very good and sold very reasonably. Try some of the Seniors' candy.
