Real Economy FOR MOTORISTS

In these times we are all trying to be economical in everything. That is not only wise business judgment, but it is a necessity for most of us. Therefore the motorist will consider well when a real economy comes his way. Here is a proposition that will enable the local motorists to produce true economy in the running of your automobile:

Membership in the Andover Automobile Club, carrying with it also membership in the New York State Automobile Association and affiliated with the American Automobile Association, gives you the following advantages which money alone could not purchase:

It offers to service your car within a radius of 3,000 square miles of Andover; to bring you gas on the road, storage batteries, tires, tubes, to change your tires, to start your car anywhere; to pull you out of a ditch; to tow your car.

Give you a valuable insurance policy.

Give you expert legal advice and assist to collect damages on your car.

Give you expert road information: Maps, Tour Books and Road Logs.

Secure your license plates and driver's license yearly. -

And Crowning All This

It has made arrangements with other garages to give you the same service anywhere your itinerary might lead you in the U. S. or Canada.

Your A. A. Membership offers all of these serrvices and more for less than 2c per day. Have you thought of it this way before? If you are not a member, pick up your pencil and write your application NOW!

If you are a member renew your membership promptly.

Andrew Antomakila Misk

As night passes and the light of a new day comes, you can look with a calm, appraising eye at this stronghold that guards your wealth and find that it has again proved trustworthy as it has for 27 years. We continue the policies that have been once more tested and proved true. We acknowledge the confidence of old depositors with thanks, and welcome the new.
