

DAWN!

The New Day
Proves This
Stronghold
Trustworthy

As night passes and the light of a new day comes, you can look with a calm, appraising eye at this stronghold that guards your wealth and find that it has again proved trustworthy as it has for 27 years. We continue the policies that have been once more tested and proved true. We acknowledge the confidence of old depositors with thanks, and welcome the new.

Addie Noyd: "I just came from the beauty parlor."
Lum Bago: "And they were closed!"

Remember

There are still six people gainfully employed for every person idle. That 52 million of our people have \$1,233,000,000 more money in our savings institutions than at the peak of what we called the boom four years ago, and the grand total is more than 29 billions of 100 cents American dollars.

A recent offering of 450 million of U. S. Treasury notes was nine times over subscribed—why we paid out more money during the great so-called depression year of 1932 for soap, cosmetics and tooth paste than the entire government budget of any nation on the face of the earth except our own United States and the British Empire.

Talk about hard times, there just isn't any such animal in this country. We will agree that many of us are suffering but the cause is not hard times—our economic laws are out of adjustment, the machine has ceased to function, the best brains we have are working to untangle the mess and we can begin to see light in some of the dark places.

Don't lose courage; don't let old Man Gloom get your goat. Prosperity's new yellow wagon will drive down your street before very long and the sun will again shine on both sides of the street—a smile and a cheery word to everybody will help to hasten that day.

Harrows

Good crops are impossible without a good seed bed, and a good seed is impossible unless the Harrow has long, flexible, sharp cutting teeth.

Oliver Harrows are made to insure intensive and deep cultivation, and last longer than most. Look an Oliver over before you buy.

Looking Around

Do you find some corners of the home that this spring sunshine shows up a little shoddy? Don't forget a few cents worth of Utillac applied with taste will work wonders. It's fun to paint with Utillac. Use it in the morning and settle things back in place the same afternoon.

Better Lawns

A few Do's and Dont's. Nothing sets off a home more than an attractive lawn, and the making of it is as easy as planting onions.

The most important problem with any lawn is the control of weeds and the easy way to get rid of most of them is to choke them out with a good Lawn Seed, the grasses that make up a good lawn mixture are so vigorous and tenacious that they will throttle out any weed that grows even to quack grass. Just keep on raking in a sprinkling of Good Lawn Seed.

Keep time off your lawn and most kinds of manure; produce fertility with a fertilizer of ammonia phosphoric acid and potash, a complete plant food. Vigoro contains these elements in the right proportion and you may use it with full confidence that it will do its work economically and well.

We carry Vigoro in bulk and you may buy exactly what you need below package price.

Our Lawn Seed is a correct mixture of high quality pure seeds and will produce the result you have a right to expect. The price this season is reduced to 20 cents a pound.

Do not buy package lawn seeds—they are always high in inert matter and weed content while very low in germination. No matter how little you pay for them it is too much.

Machinery

What a come-down in price and for real honest-to-goodness getting your money's worth pick Lawn Mowers; this is the season to shop around and see what has happened to grass cutters.

For years the Midwest Mowers made by the Ellipse People have been our outstanding bargains as well built and as standardized in value as Buick motor cars. In 1931 they sold for \$9.50; in 1932 at \$7.75 and we thought they had struck bottom—but this year, 1933, we are able to offer this same big splendid up-to-the-minute Lawn Mower for \$5.75 with every improvement and all the quality you can buy if you pay double the price.

Of course we have price machines for less money and they are real values, but Mid-West Mowers at \$5.75 are a sensation. Get yours before the supply runs out.

The Young Women's Friendly Circle of the M. E. church held their regular monthly meeting at the church parlors Tuesday evening. A 6:30 tureen supper was followed by a business meeting and social time, with games of different kinds for entertainment.

George Strong, assistant cashier of the Citizens' Bank of Arcade has been ill for some time with an infection in his hands, thought to be caused from counting money. There is no immediate fear that many of our citizens will develop any serious illness from that source.

Mrs. Edward Mullen of Barney street entertained 30 members of the King's Daughters of the Andover Presbyterian church at the home of Mrs. Lee Robbins of Canisteo, Thursday afternoon, April 20. The ladies report a very delightful afternoon. Mrs. Robbins was formerly Miss Helen Richardson of this village.

The Canisteo Red Cross under the direction of Rev. H. L. Somers received four more tons of government flour last week and Welfare Officer N. Weyand received five tons. This flour is given to the needy of the community. A total of 46 tons of flour has been shipped to Canisteo and distributed free during the past year.—Canisteo Times.

Thomas B. Burdick of Little Genesee, chairman of the board of supervisors, has received the names of six men from which he is to appoint one member of the bi-partisan Allegany County Beer Control Board. The men listed are Porter Richardson, Andover; Attorney John Dickson, Wellsville; L. E. Hardy, Rushford; Herbert J. Demsey, Cuba and Roy Carter, Friendship.

Scout Fund Lacks \$25

The Andover Citizens' Committee collecting funds for the proposed Boy Scout troop met Wednesday night, April 26, and found that they lacked less than \$25 of the quota set. Half of it was in cash and the other half was in pledges. The committee hopes to collect the pledges and the needed \$25 to meet the quota by Saturday, April 29th, the final day of the extended drive.

Patrick D. Perrone, chairman of the committee, anticipating Andover will go over the top in this drive, is in touch with Mr. Edgar M. Sain of Olean, Boy Scout executive of Seneca Council and expects him to come to Andover some time, next week to lay out the final plans for the actual forming of Andover's Boy Scout Troop.

Valley Brook Cemetery Association Meeting

Lot owners of the Valley Brook Cemetery Association are hereby notified that the regular annual meeting of the Valley Brook Cemetery Association will be held at Village Hall in the village of Andover, Wednesday evening, May 10, 1933, at 8 o'clock.

At this meeting the lot owners will select directors for the ensuing year and transact any business that may properly come before the meeting.

J. HARVEY BACKUS, President.

Farewell Reception

Rev. Father Charles McHugh was the guest of honor at a farewell dinner served by the ladies of the Blessed Sacrament church at their hall Thursday evening. Rev. McHugh leaves Andover this week for his new duties at St. John's Catholic church in Olean.
