EXPECT MORE of Electrolux

NOW AIR-COOLED at New Low Prices Expect Lowest Operating Cost —Utter Silence—and MORE!

NON-TIPPING SHELVES. Dishes and utensils slide easily in and out of the New Air-Cooled Electrolux—thanks to its ribbon-type shelves. Note also the rounded corners that make Electrolux so easy to clean.

FROM a vital development in the science of home refrigeration—such as you now get in the New Air-Cooled Electrolux—you can EXPECT MORE. For one thing, expect more economy. Electrolux has no moving parts. It uses no water. The tiny gas flame which circulates the refrigerant consumes still less gas than formerly. The refrigerant is hermetically sealed in rigid steel and needs no renewal. Air—ordinary air—cools it. And an automatic shut-off completely protects the flame. But lower operating costs only begin to tell the story! Expect silence—utter and permanent—with Electrolux. Expect such exclusive features as adjustable split shelves, two-temperature chilling unit which insures constant uniform cold, and automatic trigger release on ice trays as well as porcelain interiors, non-stop defrosting, plenty of pure, sparkling ice cubes, extra food-space. When you come to our showroom—expect to find the very finest refrigerator that money can buy! For you will—in the New Air-Cooled Electrolux! Yet prices are lower than ever. Terms liberal.

Ammonium Sulphate The Ideal Fertilizer

All the plant life that surrounds your home needs nitrogen. One hundred pounds of Ford Ammonium Sulphate is equal to 4,000 pounds of good stable manure. It is easy to apply, as it dissolves completely in cold water, and in dry form it retains its powdery consistency even in dry weather.

We have this in bulk to sell in any quantity from one pound up. Our supply is limited this year and when present stock is sold we will be unable to secure any more.
