#### Ammonum Sulphate

The Ideal Fertilizer

All the plant life that surrounds your home needs nitagen. One hundred pounds of Ford Ammonium Sulphate is equal to 4,000 pounds of good stable manure. It is easy to apply, as it dissolves completely in cold water, and in dry form it retains its powdery consistency even in dry weather.

We have this in bulk to sell in any quantity man and furnish such official any Olive C. Wiles, Fillmore, was left Heart's Delight Dill Pickles, placed, 3 pint can 25c from one pound up. Our supply is limited this year equally to three sons and one daugh. and when present stock is sold we will be unable to secure any more.
