To the Freshmen!!!

There are three types of freshmen. The first, the shy, winsome thing who is still in a fog. She just can't make herself believe that she has been a freshman—actually been a freshman since September. And, a sophisticated Junior suggests that perhaps this type will find it equally as hard to make herself believe she's going to be a freshman all over again next year.

Then, there is the smart type. I think you all know him. He's in his paradise when he sees one of the studious sophs sit on a tack or a wad of gum that has been thoroughly masticated. Smart, eh, what?

Lastly, we have come to the freshmen who really want to learn. Their ambition is not only the four o'clock bell, or the high school diploma. They want to go on and on and on. But, alas, we are sorry to say this group of freshmen are far and few between.

Now, freshmen (we are talking to the majority of you) get down to work. Act like humans in school anyway. When we look at some of you—climbing the gate that separates high school from the place you belong; lacking upper classmen's lockers; and making those awful noises in the hall—we most certainly believe in evolution.

We were freshmen once—we understand—but take the advice of your experienced elders and learn by our mistakes.

I'll Be Seeing You All at the Senior Prom

Yes, I'll be seeing you. You, in this case means alumni, high school students and friends. It's going to be the biggest event of the year. You are all going to be there, aren't you?

The Senior Class needs the money in the worst way to pay for graduation expenses. I'm glad to help the class out, aren't you? Especially when I can get as much fun in one evening as we're going to have next Monday night.

The Allegany Serenaders are going to play. I've heard they are the best dance orchestra in this part of the county.

I'm sure going to have carloads of fun seeing you all and dancing with you all at the Senior Ball, Monday, May 29th.

### NEXT YEAR'S EDITOR

Two Try Out, Election Soon to be Held.

Two pupils of A. H. S. are trying out for the position of editor-in-chief of the Hi Herald, for the term of the school year beginning next September until January. The two trying out are Mary Monica Lynch and Paul Alderson. This position is about the highest and most honorable position a student can attain during his or her high school career. The person who is selected to hold down this responsible position should be dependable, willing to do his share of the work, able to dominate, should take his work seriously and co-operate in every way with Mr. Backus for the betterment of the Hi Herald.

Mary Monica Lynch is the editor for this week's paper. Paul Alderson will take charge of it next week. An election will soon be held in which the Hi Herald staff, Mr. Perrone and Miss Clifford will select between these two candidates.

### LIBRARY NEWS

Have you taken a good look at the chart on the window between the library and the faculty hall? Your name may be on it. You may be one of the lucky ones who have neglected to buy books for the library. These are all new. If you have new books and new subscriptions to current magazines to be available in our school library. Here is a warning—if your name is not on the chart, your name will appear on the Hi Herald.

### FIRST ANNUAL PLAY DAY HELD AT THE HIGH SCHOOL

The first annual Play Day for rural children was held at Andover High School on Friday, May 19th. This is the first event of this kind to be held at the high school, but it is planned as an annual affair.

In the morning the rural children, accompanied by their parents and teachers, visited school. At 11:15 they attended an assembly put on by the Seniors. Before the assembly, Principal Hardy welcomed the pupils and explained what was to take place in the afternoon.

In the afternoon, track events were held in which only rural children were allowed to compete. Boys and girls were divided into classes according to weights and the following events run off: Potato race, basket and volley ball throws; and 75 yard dashes, standing broad jump and high jump. The girls did not take part in the high jump.

About 60 pupils from the seven schools took part in the track meet which was in charge of Mr. Perrone, assisted by some high school boys and members of the faculty. The following schools attended: El Valley, Ward, Dist. No. 7, Pingry Hill, South Hill, Davis Hill, East Valley, and Deas District.

### ANDOVER GIRLS' TRACK TEAM UNSUCCESSFUL

Fail to Place at Wellsville Spring Day.

The squad of girls who competed in the Spring Day races and games for girls at Wellsville Saturday morning, May 20, came home without honors for themselves at the school, but they enjoyed themselves and witnessed a good track meet. Sixteen schools were entered in the athletic contests. About 100 girls competed. Miss Palmer and Miss Leo took charge of the Andover

girls competing, who were Anna Dean, Leah Oakes, Rita Burns, Alice Pope, Jessamine Briggs, Ruth Slocum and Roberta Church.

### BOE ZECKLEY'S COLUMN

Dear Boe:

Just a big, jolly Junior. Poor me. I'm so big I'm in my own way. Boe, I feel as if I am big enough now to go out. But I am very bashful as far as girls are concerned. I have had my eye on a certain girl in the Junior homeroom for some time. She is so thin she hardly casts a shadow. Really, Ethel is very becoming with her long hair.

I would like to ask her to the Senior Prom. Should I? If I do, what can I talk about to keep her interested?

Yours regardless,

Eddie Brewster.

Dear Eddie:

I'm glad to hear that at last you have taken an interest in the H. S. girls. Yes, Ethel would suit you fine. She dances divinely, and I'm almost sure she would be light on your walk-overs. By all means, ask her to the Senior Prom. There you might give her your remedy to avoid being underweight.

As for keeping her interested—that's simple, Eddie. Just tell her all about yourself. Let her know that you play football, basketball, and that you can play the piano and sing well. At once, she will probably fall hard for you. As you know you are just a big he-man—the kind that always makes a big hit with all girls.

## ANDOVER TO PARTICIPATE IN COUNTY MEET

Andover High School track team will take part in the county meet to be held at Wellsville, Saturday, May 27th.

Andover has a good chance to win the meet if all men work up to their standard. At the present time, it is doubtful if Jim Cannon, field star, will be able to participate, because of a strained left leg. He may be able to put the shot or throw the javelin but it is doubtful if he will be able to high jump.

Brundage will give DeBarbieri a good fight in the pole vault and may take it. He is also expected to take the broad jump in which he is the outstanding performer in the county. Lynch is expected to take the mile, altho he may be pushed by Perkins of Friendship, who won the half mile race in the Invitation Meet held last Saturday. McAndrew is expected to place in both the high and broad jump. Scott may take a place in both the broad jump and high jump, while Lynch is almost sure of a place in the broad jump. Other men who may place are Jas. Cannon, Brewster and Baker in the shot put; Yannis in the discus; M. Brundage in the 220 yard dash and L. McAndrew in the half mile.

## RURAL TEACHERS VISIT ANDOVER HIGH SCHOOL

Track Meet at Rural Children's Held on School Playground

Andover high school and the grades acted as host to the rural school children of Andover and their teachers on Friday, May 19. The visitors were entertained in the morning by a special assembly put on by the Seniors, under the direction of Miss McElree. In the afternoon a track meet was held on the school playground for the rural children. The Senior boys were acting officials for this meet, which was carried on under Mr. Perrone's supervision and aided by Edwin Alderson. The officials presented ribbons to the winners.

Howard Gath and his assistants managed the loud speaking and the propaganda. It is hoped that this gathering of the rural schools and our schools, the first of its kind, will be an annual event.

## ? THE SPY?

I believe you all know that we have a new editor this week. Of course, we must elect a new editor for next year, and I am afraid that I am going to be out of a job. By the way, Mary Monica, how is your aunt in Wellsville? You know which one I mean. It is the one that lives down on N. Main street. I suppose you will spend your summer vacation at her home. Rather nice, isn't it?

I see that Eddie Alderson has got himself a hair cut. Who held the bowl while Paul did the cutting? Well, Eddie, you have at least cut down on the wind resistance. Your head is very scream-lined.

One of your old friends from Wellsville has been receiving letters from a certain girl up here. I wonder if O. K. thinks that it is O. K.? After checking over a few marks, it looks as if some of you fellows who have been getting kicked out of classes had better get wise and cut out the kid stuff if you expect to graduate before 2000.

Was Bill Gee chewing tobacco in school Tuesday or was that an ulcerated tooth? It must have been an ulcerated tooth or else he has a cast iron throat. Wade Theetge accused Bill of trying to walk out with a pool-ball in his mouth but Bill showed him his mistake and everything was O. K.

It looks as if our capable and efficient music teacher and Rubenoff, Jr., were seeing quite a lot of each other. Well, they are both musicians anyhow, so what?

Did you meet the folks, Vick? It's too bad they didn't stay longer so you could have gotten better acquainted.

One of our teachers asked Charles Lever a question in class and Charlie replied "I think." Here the teacher interrupted and said "I don't want to know what you think. I want to know what you know."

"Well, you'll have to call on someone else," said Lever. "I can't talk without thinking—I'm no school teacher."

Just listen: I am told that Connie and Leah are completely broken up. Congratulations, Leah, for waking up from your daze.

Why is it that some boys in this school I can think of, two Seniors in particular, are always trying to

## SIXTEEN MAY GRADUATE TWELVE ARE SURE OF THEIR DIPLOMAS

As a result of maintaining averages over 75% for the first three quarters of the year, 16 Seniors are now assured of their diplomas at the June Commencement, providing they complete their work in good faith. Four others may graduate if they are successful in the June examinations. The Valedictorian is Paul Alderson, with an average for the four years of 89.78. Leah Oakes is Salutatorian, with an average of 84. The others sure of graduation are:

Malcolm Brundage, Conrad Church, Wisner Cook, Teresa Dean, Willard DeRemer, Cecelia Edwards, Evelyn Edwards, Charles Lever, Dorothy Oakes, Ruth Whitney.

Those who may graduate if successful in the June examinations are: Robert Joyce, Lloyd Sly, Robert Spicer, Francis Vickers.

## A-H-S ORCHESTRA PARTICIPATES IN GENESSEE VALLEY MUSIC FESTIVAL

Our High School orchestra, under the capable direction of Miss Mary Jo Russ, participated in the Genesee Valley Music Festival last Wednesday. This took place at Houghton College.

The orchestra can be highly complimented in its remarkable showing at the Bolivar Music Festival. It played equally as well as at Genesee Valley Festival.

Besides our orchestra, the following High School orchestras were present and rendered programs: Al-lentown, Attica, Canaseraga, Castile, Cuba, Dansville, Fillmore, Friendship, Houghton, Groveland, Nunda, Pavillion, Perry, Rushford, Seio, Wyoming and Warsaw.

Our school, as well as our town, feels very proud of our director and her exceptional orchestra.

take an unfair advantage? Not only that, why are these two certain boys such hars. The Spy knows, but wouldn't tell.

And so ends another one of these delightful episodes of "Personal Secrets."

THE SPY—

## POPPY DAY - Saturday, May 27th

## THIS YEAR of all years Buy and Wear A Poppy!

This year, of all years, when the Nation's war veteran appropriations have through necessity been greatly reduced, is the time when each and every one of us should be more considerate and add a small mite in helping make long dreary hours more cheerful for the helpless. . . . The small sum we contribute for a poppy during the week preceding Memorial Day, goes into the American Legion's fund for Veteran Camp welfare activities. . . . Help make the New York State American Legion Camp at Tupper Lake possible by supporting this worthy cause. . . . To each contributor, charity is important, because they are in fact but the fulfilling of DUTY by local citizens to a Nation's once stalwart but now helpless defenders. Buy and wear a poppy to it is a symbol of gratitude.
