The New AIR-COOLED ELECTROLUX

gives you Lowest Operating Cost

Utter Silence—at New Low Prices—and MORE!

TODAY, the most important, most revolutionary development in the science of home refrigeration is the New Air-Cooled Electrolux. EXPECT MORE from it.

Expect a decidedly lower cost of operation. Electrolux uses no water. It has no moving parts. A tiny gas flame—completely guarded by an automatic shut-off circuit—cools the refrigerant, which is cooled by ordinary air.

But that's not all! Expect the ultimate in quietness with Electrolux. There are no moving parts—nothing to cause friction or vibration. Expect Electrolux to give you exclusive new features such as adjustable split shelves, automatic trigger release on ice trays, two-temperature chilling unit which insures constant, uniform cold. Expect as well porcelain interiors, non-stop defrosting, an abundance of food

space, plenty of ice cubes. But see the New Air-Cooled Electrolux for yourself! On display at our showroom. Money cannot buy a finer refrigerator! Yet prices are lower than ever. Terms are liberal.
