

Whiteville

(Mrs. Ella Millsbaugh, Reporter)

June 13.—F. W. Clark has gone to Monticello, Pa., to spend some time with relatives.

Mr. and Mrs. C. L. Travis and guests Wednesday and Thursday. Mrs. and Mrs. Clara E. of Danbury, Conn., and children, Frank and Francis and Miss Grutchfield of Danbury, Me., were guests.

Mr. and Mrs. J. E. Hines have moved into the apartment in the new house on Highland avenue. Mr. D. N. Howe has been visiting his daughter and family, Mr. and Mrs. Charles Stitt of Massena, N. Y., the past week.

J. C. A. Crittenden is now operating the gas station adjoining his residence formerly operated by William Harrison.

Mr. and Mrs. G. M. Lewis were in Ithaca Friday to attend the graduation of their daughter, Arline, in a four-year course in physical education in Ithaca College.

Mr. and Mrs. H. H. Keating went to Syracuse Friday and went to Canton Sunday where they will attend the graduation exercises of St. Lawrence College and receive a diploma in religious education.

Mr. and Mrs. W. D. Dexter and his mother, Mrs. Annette Dexter left for their home in Brooklyn, N. Y., Saturday after a two-week visit with friends here. They will stop in Ithaca for a day or two with relatives.

Mr. and Mrs. G. M. Lewis went to Albany, N. Y., Saturday and attended the past masters' convention in Cooperstown, N. Y., on Monday.

There are several cases of mumps reported in the school and about town.

Two services of unusual helpfulness and inspiration, marked last Sunday as a great day at the M. E. church here. In the morning at 10:30 a very fine program by the children of the church school was given in celebration of Children's Day.

The profuse floral decorations made the air heavy with perfume and the large audience present proved their interest in the occasion.

In the evening service the church was favored by the presence of the Folk Brothers quartette of Grace church in Corning, N. Y., who gave a very delightful concert of sacred music, accompanied by Mrs. Chapin, organist of Grace church, Corning.

The sermon of the evening was by Mr. Joseph Folk, one of the quartette, from the text, "The Foundation of God Standeth Sure." 2 Tim. 2:19, and was followed by the confession and conversion of one person present. We hope for more such Sundays.

The Father and Son banquet held in the beautifully decorated dining room of the M. E. church on Friday evening under the auspices of the church school, was a great success.

There was chorus singing led by Carl Bartlett, between dinner courses and a fine program of poems, toasts and several numbers by the male quartette composed of Rev. H. J. Marquis, H. E. Leach, G. W. Forsythe and Lee G. Millsbaugh of Andover, followed the dinner, F. G. Rigby acting as toastmaster.

Rev. R. E. Lentz of Wellsville was the speaker of the evening and gave an inspiring address from the subject "From Generation to Generation." More than 75 fathers and sons were present to enjoy the occasion.

The weather is surely producing extremes. The intense hot wave of the past few days was followed Monday night and Tuesday by almost freezing temperature which must have been a great relief to city dwellers.

The leading pen at the Stafford section of the Western New York Rhode Island Reds, entered by the Pinecroft Orchards of Groton, Mass., has laid at the rate of 84 per cent. for 34 weeks.

Ancient Damascus blades, traditionally referred to as superior and splendid weapons, were really made of steel not so good as that produced today.

THE BEE'S WAR CRY

The strawberry moon has passed and the warm springtime wind has been so hot that old Mr. Bear does not wander far from the deep woods and cool rocks.

It was the bear's custom, as with the red men whose homes are in the hot southland, to take a good snooze during the heat of the day. And on one of these days, he stretched out beside a high cool rock and dreamed in his sleep. In his dream he thought he was eating juicy strawberries, which would soon be ripe, and he would occasionally open his mouth, very wide.

A busy bee was flying around and around and thinking the bear's red mouth was a great red-throated flower, the bee flew into the yawning jaws of the bear.

The bear jumped to his feet and just as the bee was about to sting his tongue, the bear pushed the bee out on the ground with his paw. The wings of the bee had become wet while in the mouth of the bear; and so, while the little bee stood there drying his wings, the old bear gave him a good lecture about coming into places where he was not invited.

The bees had a council late that afternoon and they declared war on the bears. The bears pleaded for peace since they knew the bees put honey in the trees that the bears like so well. And so the bees and the bears held a common council and a smart old bear told the bees that they should give a warning yell when they came around. Ever since that day the bees all hum to tell the bears to close their mouths when taking a noon-day sleep in the hot summer time.

HOW SHE LOST 18 POUNDS OF FAT For Less Than \$1.00

"Will say in regards to Kruschen I took it to reduce. I lost 18 pounds after using one bottle and feel fine. Just bought one more bottle today and expect to lose 15 more pounds. I now weigh 148 pounds and feel fine." Mrs. Harry Robinson, Akron, Ohio. (Jan. 6, 1933).

Once a day take Kruschen Salts—one-half teaspoonful in a glass of hot water first thing every morning. Besides losing ugly fat SAFELY you'll gain in health and physical attractiveness—constipation, gas and acidity will cease to bother—you'll feel younger—more active—full of ambition—clear skin—sparkling eyes.

A jar that lasts four weeks costs but a trifle at any drugstore in the world—but demand and get Kruschen and if one bottle doesn't joyfully please you—money back.
