

## AS CERTAIN AS THE SUNRISE

Darkness gives way to light . . . Clouds of gloom are dissolved and things take shape . . . In the brilliant light of the rising sun, life swings into action and terrors of the night are forgotten . . . As certain as the sunrise, will be America's full recovery from depression. . . Improvements are manifest at every hand. . . It is again time to work and plan. . . In the carrying through of your plans you no doubt will require efficient banking service . . . We respectfully solicit your patronage.

### Dissolution Notice

We regret to announce a change in the firm of Baker Bros., dating from July 1st, 1933 the partnership is dissolved and Arling R. Baker becomes the individual owner of all the merchandise, notes, accounts receivable and good will of the concern, he also assumes all real and contingent liability, becoming sole proprietor of the business.

For more than a year Erwin has been in failing health; his physical condition makes this change seem advisable. There will, however, be no change in the character, policies or name under which the business is conducted and we sincerely hope that there will be no change in your attitude of good will interest and cordiality.

This community has been our loyal customers, neighbors and friends. We thoroughly appreciate both the patronage and friendly relations you have accorded us. We on our part have tried to serve you faithfully and to make Baker Brothers' Hardware a real community institution where you may always receive a quality of service and consideration that would measure up to your highest ideals.
