## BAKERS' STORE NEWS

Published by Baker Bros. Hardware, Andover, N. Y.

### Sharps and Flats

Lady Friend: "Well, how do you like your new flat?"  
Mrs. Newlywed: "Which do you mean—the one I married or the one I live in?"

### Your Hardware Store

The detail of a change in ownership of Baker Bros. Hardware in no way alters our feeling of responsibility towards this community, or lessens our obligation to render you the highest quality of intelligent Hardware Service.

It will be our constant aim to carry so wide an assortment of Hardware and its kindred lines that you may have a choice of selections suited to what will best supply your individual needs and priced as low as goods of standard quality may be obtained anywhere.

We shall stand squarely back of every article we offer so that you may purchase with confidence and feel always at liberty, in fact urged, to report any transaction that you feel reflects to your disadvantage so we may have the opportunity of meeting your wishes.

If our merchandise and methods please you tell others, if not tell us. Baker's Store News will come to you each week as usual and without change of author or editor.

### Brooms

When you want a really good one look over our line. Eagle No. 6 at 39c; Paragon, 5 1/2 at 79c; Morning Glory No. 6 at 99c. All of them real value at our prices.

### Picnic Time

Without proper equipment means a deal of extra work for somebody, much of which may be avoided by using paper towels and napkins, fibre plates and mugs, thermos bottles or jugs.

Let us supply your needs in this line from an adequate stock at lowest prices.

### For Little Folks

Shatter Proof Drinking Glasses, no cut lips and if they drop on the floor, no breakage. Use also for bath room. Now 10c each.

### Watering Pots

The new styles have removable brass noses, with spout for filling the radiator on car or tractor.

A monologue is a conversation between two people, such as a husband and wife.

### Another Exposure

Have you been getting full value for the money you spend for Electric Light Bulbs, or have you been swindled by the chain store racket which is being worked right on Main street in Andover?

General Electric make two kinds of Lamps for domestic service, one of them to be sold at a base price of 10c, the other at a base price of 20c, and as usual the 20 cent lamp is the most economical.

Some places mix the two kinds in their sales rack and sell them all for 20c. If you are not posted you may get gypped, if you are interested ask us.

We sell first quality General Electric Mazda Lamps. You get what you pay for at Baker Bros., unless we also are swindled and it's our business to know.

### Stationery

Thistle Linen in the new Fifth Avenue size and style, ivory tint, 24 envelopes and 24 double sheets 19c. Sold separately 10c each.

### Burned Out

These head lines meet your eye from the pages of every newspaper and very often there is deep tragedy back of these two simple words.

A small fire is easily subdued, a hand Chemical Extinguisher is wonderful help but how frequently the stream fails at a critical time, as the average charge of three gallons is often so pitifully inadequate.

The new Foam Type Hand Extinguisher is a real fire department right at your finger tips. Effective on all kinds of fires, oil, gasoline, or chemical. They eject 22 gallons of fire-proof foam, weigh but 17 pounds, are as easily operated as the old style liquid type and may be recharged at a cost of \$1.00.

They sell for \$19.50, but for a limited time we will accept your old extinguisher not less than two and one-half gallon size, and allow you \$6.50 towards the price of a Foam Type.
