come to all. Come!

A TONSORIAL TALK I have been a patron of the bar- DR. A. D. HAINES ber shop for over 50 years. I am one of the best friends the barber has. That's why I am so interested! in the very best for both operator and customer, in this important field. I may have mentioned in this column before—that I knew a clergyman with the finest "suit" of hair I ever saw; he would not permit a barber's brush or comb to touch his scalp—for fear of some sort of carried infection. The more I think of it, the more I feel that the preacher GENESEE-Fire House, July 20-22.

Now I am uncomfortably bald. WELLSVILLE - Fassett House, My more than three-score and ten years may account for it-but I wish could have kept that hair! Many a barber's brush has showered down Dr. Haines Fits Glasses at on my scalp whatever was in the instrument. Let me repeat: The barber's hair brush should be kept immersed in a good bowl of antiseptic

CONSULTATION FREE Not only that: but, barbers should be zealously guarded in their own personal health and condition of blood. In these days of rapid trancare cannot be exercised by who have such varied contacts barbers have. I don't like to have a workman shave me who has a crop of ugly lesions on his face—and certainly not on his hands. It would make me leap for joy to '

see a sign hanging in my barbershop: "All operatives here have negative blood-tests." It ought to be the finest of drawing-cards for a public barber shop or hair-dressing
