ANNOUNCEMENT

Howard Earle Lynn - Foot Expert

I will be in Dr. O'Donnell's office every morning from 9 A. M. to 12, starting Monday, August 21st.

I teach the only scientific foot culture of its kind. If you are having foot trouble, corns and callouses, there must be a cause. Make an appointment and let me examine your feet. You can be relieved of a lot of trouble by having your feet taken care of by foot correction. I have helped some bad cases. Yours is no exception. Let me help you.

The Foot Expert Says: "No woman can be a good pal when her feet hurt!"

Stinging, burning, blistered feet will ruin the best nature in the world. Ill-fitting shoes will spoil a dance, a hike, a golf game or any other enjoyment. Sounds amusing—but it's serious for her when a pleasant girl becomes an irritable companion. A good healthy foot will never have corns and callouses and you would not have that tired-out feeling all the time if your feet were in proper condition.

An examination will tell you your condition, the cause and the cure. Better come in and get rid of that foot trouble now!

HOWARD EARLE LYNN—Foot Expert

At my Wellsville office every afternoon. Evenings by appointment.
