

FULL STEAM

AHEAD

THE storm has been weathered. The sky is clearing. Trade winds blow fair and the nation is back on the course, full steam ahead, for the port of full recovery. . . . It is now time for a material expression of full confidence in the captain on the bridge. That means to resume normal buying, to put money to work, to cease hoarding, to enjoy a full life of normal comforts and, to express confidence by helping to make business better. . . . In our business of banking, we feel that we can serve you in an efficient manner. We solicit your patronage.

Bloss Reunion

The 13th annual reunion of the descendants of Jacob and Sophrona Parker Bloss was held at the home of Mr. and Mrs. Harold Bloss of Whitesville, Sunday, August 20th. Thirty-five guests were present from Penn Yan, Hornell, Alfred, Belmont and Andover. A bountiful twelve dinner was enjoyed and was followed by the regular business meeting.

The following officers were re-elected for the ensuing year: President, Edward Coleman, Belmont; vice president, Mabel F. Reynolds, Alfred; secretary and treasurer, Reva C. Thompson, Greenwood; program committee, L. S. Bassett, Leola W. Bloss.

One death in the family was recorded, Mrs. Fidelia Bloss in Almond October 8th, 1932.

An invitation to meet at the home of Mr. and Mrs. Arling Saunders in 1934 was heartily accepted.

A musical program was greatly enjoyed by all present and a rising vote of thanks was extended Mr. and Mrs. Bloss for their hospitality.

BAKERS' STORE NEWS

Published by Baker Bros. Hardware, Andover, N. Y.

Smart Papa

"Say, pop," began little Willie, "just what is the stuff heroes are made of?"

"Spinach," replied the wise papa, "spinach and cod-liver oil, son!"

Tidex Has Arrived

The oil that you may use with perfect confidence, the writer has just drawn the Tidex from the crank case of a Packard car after one thousand miles of service and can honestly report that he has never inspected a sample of used oil that shows better.

We do not advocate over-working the oil in a motor car, tractor, gas engine or other machinery, but if a change was not entirely convenient we should not hesitate to risk our motor car to do two thousand miles on a single filling of Tidex, and feel perfectly safe in so doing.

Do not compare Tidex with ordinary oils offered in similar packages. It is a fine superior product but costs you no more.

Two gallon sealed cans only \$1.00—all tax paid.

Car Finish

Your motor car will retain its original factory finish for a much longer period and your loss from depreciation much less if you keep it clean from dirt and film with Simoniz Cleaner, and protected with Simoniz Polish.

We quickly lose pride of ownership when we allow our car to become dull and grimy. The Duco finish we get on new cars today will last many years if cared for and a proper polish with Simoniz is the surest, cheapest and most attractive.

Oil Soap

Non-acid and the only kind that is safe to use on a highly finished surface.

It will cut road film from your auto, uncover the real finish and bring out its best appearance.

A soap of many uses—try a can.

Safety Roll

No torn fingers or ragged edges if you open cans with this style of opener. Aside from the safety feature it smooths the edge of the can so contents slip out completely.

This opener available at 10 and 25 cents.

Pencils and Tablets

In a few days the children will be going to school again.

Start them off eager and happy with the supplies that make school days interesting and profitable. Outfits from Baker Bros. are correct, satisfactory and low in price. Look over our stock.

Comes Out in the Wash?

Certainly, if you use a good safe, dependable cleaning fluid.

Gasoline, non-treated is a good cleaner, but is dangerous. It is valuable chiefly for its explosive quality, the more combustible the better.

Our bulk cleaning fluid is as good for cleaning as the best gasoline, and is entirely safe. Not only safe to use for cleaning but safe to have in the home.

Bring your can and try a gallon, the price is only 35c.

If you have some left, try it to this point, it works like turpentine and is exactly the same material as is used for the thinner in cheap paint.

Fly Time

The use of swatters and fly spray liberally at this season will mean comfort now and less to bother you next year.

Our stock of fly-fighting tools and materials is complete. A wide selection at lowest prices.

House Brooms

Vacuum cleaners and all sorts of cleaning devices not withstanding, Brooms are still a necessary item in every well ordered house.

It isn't the first cost of a broom that is important, it is the extent and quality of its service, and Morning Glory Brooms are in this respect in a class by themselves.

They probably cost more than many people ever expected to pay for a broom, but these same people having bought and used one Morning Glory have seen the difference and won't buy any other.

We offer Brooms in wide variety from 39 cents up. Let us show you the only real line of Brooms in town.

Matthew: "Well, Betty, and what progress are you making toward matrimony?"

Betty: "I think I'm on the last lap."
