However, all new deal- days. ers who start distributing businesses in areas with a population of 1,000 persons or more, must pay a minimum license fee of \$25. Old dealers who continue in business areas of 1,000 persons or more, who handle less than 47 quarts a day are exempt from the license fee. All dealers, regardless of whether they are new or old dealers, or regardless of the size of their business, c the size of the marketing area, must have permission from the Milk Control Board to enter business.

Compares Farm Prices

price as 100, five New York State which we are members, are from 9 farm products were above pre-war prices, or 100, in August. Milk cows Saturdays from 9 o'clock A. M. to wree at 108; milk, 111; wool, 130; noon. apples, 101; and potatoes 170. Prices received by farmers from A. Code as adopted by the American Bankers Association, we will, comper cent. and the purchasing power of the farmer's dollar declined ten the following banking hours:

Milk in Ice Cream

If all of the ice cream used New York State was made from New York State milk or milk prolion pounds of milk or the total pro-longed. duction of a month as March, 1932 to supply the materials.

Penalize .Two Dealers

Two milk dealers, the Philips! Milk and Cream Company of New York City and George W. Gunther of Syracuse, were penalized this week by the Milk Control Board for selling milk for less than the minimum price. The Philip's Milk and Cream Company was penalized \$200 for selling milk for one cent below the minimum price and the company's temporary license revoked unless the penalty is paid by October 1. George W. Gunther and his license to distribute milk was ordered to be revoked on Oct. 1

Connecticut Advocates Pools The Connecticut Board of Milk! Control holds a hearing on Sept. 28' to discuss establishing a state-wide milk production pool and also, _state wide sales pool.
