HELP WANTED

In the columns of all newspapers can be found the Help Wanted and Situations Wanted columns. Today in an editorial space, we the Hi Herald staff are running a Help Wanted sign. We do not need someone to push or pull or lift heavy loads—We need someone to come out and ask and help the other members of the staff dig the news from its hiding place.

We ask only those who are intensely interested to join us. Often times your article may not appear in print, or perhaps it does in a changed form, but always credit is given for the write-ups.

Without some rescue work by the members of the present body, the Hi Herald will die a slow and painful death. We ask all of you who can to rush to the rescue and make another HELP WANTED column thoroly unnecessary.

TEACHERS' CONFERENCE

School will be closed Thursday afternoon and Friday to enable the members of the faculty to attend the Teachers' Conference which is to be held in Rochester on Friday and Saturday.

Many noted speakers will be present at this meeting. W. Howard Pillsbury of Schenectady, who is president of the State Association, will speak on what has been accomplished, and will outline the program for the coming year.

Dr. C. Oscar Johnson, president of the Northern District Convention from St. Lawrence, will give an address on "What Your Business Is." Frederick Sawyer, who has made social surveys of many European countries and has been delegate to seven historic international conferences, will talk on "Keep Ahead of the Headlines."

? ? THE SPY ? ?

Hello, folks, this is the Spy giving out his first line of scandal of the year. The pupils of A. H. S. were unaware that I was back from my vacation, and what a lot of news I have picked up in my mysterious ways.

To start with I think that "Hoim" should be kept away from Bradford. He has circles under his eyes and only yesterday I heard him singing "I'll Never be the Same." Take my advice "Ink" and leave Opal alone.

Well, I see that the Essex Super-Six has a new rider. Who do mean? Why, none other than Miss Dorothy Cronk.

Miss Eleanor Greene now has regular callers from Wellsville. Oh, by the way, Eleanor, did Merle come up last Sunday night?

Andover's Clark Gable, better known as Lawrence Padden, seems to have taken a likening to Miss Rutherford, a new-comer to our fair village. Say, "Larry" does that make the 98th or 99th girl friend this summer? Let me know, will you? Yowzah, please do.

I was told that Milton Briggs and Dick Appier would keep away from Madison street, Wellsville. I don't think that it would be a bad idea either, Dick, for you to steer clear of K. K., because blondes are dangerous—and how!!!

Elsie Wagner seems to be undecided whether to take D. G. of Wellsville or remain true to "Hank." Take my advice, Elsie, and take Hank, because Wellsville men are noted for their fickleness. Ask G.W.

I wonder why V. S. and R. D. were not in the Oldsmobile sedan that was driving around the streets of our village last Sunday afternoon? Could it be possible that they have been given the air? Don't worry, girls, better times are just around the corner—but what corner? Huh! Ask Will Rogers.

I hear that Male and Don had dates with a couple of nice looking local girls last Sunday night, to go to a dance over to Ceres, but their car broke down and they could not make it. Too bad, boys, better luck next time

Well, I hear that Pauline has found the man she has been looking for at last. Congratulations, Pauline!

That seems to be all the news that I have been able to pick up for this week, friends, so I will sign off until next Thursday at this same hour so don't forget me during the week-end excitement.

As ever,

Your old friend and advisor,

THE SPY—

P. S.—I will be up to the dance Friday night so you all had better toe the mark, because it takes more than a Hallowe'en mask to fool me.

ANDOVER TO MEET CANISTEO

Andover High School's "fighting purple," will meet Coach Don Fenner's gridmen on the local field Friday, Oct. 27th, in what promises to be one of the best games of the season.

Canisteo has held such teams as Hornell and Wellsville High Schools to one touchdown victories, and is expected to bring one of the fastest teams to Andover the purple has yet been against. A heavy line backed up by a fast backfield with Kittell the main spring of its offensive machine, will undoubtedly give Coach "Wally" Clarke's charges plenty to buck up against.

On the other hand, the Andover offensive power shown in last week's game with Cuba should be reckoned with and Andover has high hopes of beating the Canisteo outfit.

The game will begin immediately after school Friday afternoon, with the kick-off at 3:30. A large crowd from Canisteo is expected to accompany their team and also a large group from Andover.

MUSIC DEPARTMENT

The Andover High School Orchestra and the Girls' and Boys' Glee Club will be a part of the features of the I. O. O. F. Fair to be held in the I. O. O. F. Hall on Nov. 1-2-3. This is the initial appearance this year of the groups comprising the Music Department of the high school.

Miss Russ will conduct the performance which will be presented at 9 o'clock, Wednesday, Nov. 1st, in the I. O. O. F. Hall.

CAN YOU GUESS ? ?

He is tall, light, and curly-haired. He is a clever talker and quick-witted. He is somewhat of a "kid-dier," and in an argument seldom comes out second best. He is particularly well groomed.

His main ambition is to eat the biggest and fattest sandwiches wherever sandwiches are being served.

He is also conceited enough to think that this is a description of himself . . .

ANDOVER SWAMPS CUBA, 31 to 0

Experience Little Difficulty in Running up Score.—Large Number of First Men Used by Andover Coach

Andover High School's "fighting purple" experienced little difficulty in defeating Cuba High School on the local field last Friday afternoon by the score of 31-0.

After Andover scored twice in the first quarter, and once again in the second, coach "Wally" Clarke substituted almost an entire second team, which played Cuba on even terms, altho Cuba threatened the Andover goal line late in the second quarter.

Cuba showed a good offensive, making eight first downs, but in turn could not stop the long runs by the purple backs, and the Andover team crossed everything but the state line, running up 18 first downs and scored five touchdowns.

"Male" Brundage, Andover speed boy, again provided fans a thrill with an 85-yard run thru the entire Cuba team, after he had intercepted a Cuba pass in the early part of the fourth quarter. Brundage also scored in the early part of the second quarter on a trick line buck, which caught the Cuba defense unawares.

Andover kicked off to start the game and Cuba made two first downs in order before the Andover defense braced and Cuba was forced to punt to the Andover 20 yard line.

Two line bucks with "Don" Brundage and "Deke" Clarke toting the ball, failed to pick up over five yards and then "Male" Brundage raced 40 yards thru the Cuba line to the Cuba 38-yard line. "Connie" Church, on the next play, again broke thru the Cuba line and behind good interference scored the first touchdown of the game. The try for extra point failed.

Andover again kicked off and Cuba was again forced to punt. After Don Brundage gained 20 yards and Church picked up 12 more, Clarke swept around the Cuba right end for a touchdown, scoring from his 27-yard line. Again the try for point failed.

Andover kicked off and Cuba made another first down. Cuba made a good return of the Cuba punt and the purple began a march down the field with "Male" Brundage taking it over. Brundage drop kicked the extra point.

At this time Coach "Wally" Clark substituted almost an entire Andover team. Cuba began a march against the purple which ended on the four-yard line as the half ended.

Cuba kicked to start the last half and thru this entire period the teams played on even terms. Andover's varsity came back to register twice in the final period, one on M. Brundage's long run and again when Don Brundage scored from the three-yard line, making the final score 31-0.

In this game Andover flashed a real offense, but again did not do so well on the defense, altho the Andover line held when it had to do so. Cuba made almost as many first downs as Wellsville did a week before.

Joe McAndrew at left end looked good thruout the game, and "Male" Brundage, by virtue of several long runs was the backfield star.

Friday's game was one of the cleanest exhibitions of football ever witnessed on the local field, only one penalty being called on both teams, that on Andover for offside.

The fighting spirit with which Cuba went down to defeat was one of the day's highlights. Altho they knew they were beaten, the Cuba team fought with great courage.

The line-up:

Andover H. S.		Cuba H. S.
McAndrew, re		Eaton, re
Brewster, rt		Graves, rt
Brown, rg		Gordon, rg
Joyce, c		N. Marion, c
M. Briggs, lg		Karnes, lg
Reynolds, lt		Edwards, lt
Padden, le		C. Marvin, qb
Church, qb		Easton, rhb
M. Brundage, rhb		Learn, lhb
D. Brundage, lhb		Schwabb, fb
Clarke, fb		

Andover substitutions: Baker, J. Cannon, R. Briggs, Sweet, Yannie, Sly, Ingraham.

Score by periods:

Andover -------	12	7	0	12	—31
Cuba ----------	0	0	0	0	— 0

Touchdowns — M. Brundage 2, Church, Clarke, D. Brundage.

Points after touchdown: M. Brundage 1 (drop kick).

SEVERAL GRADES WORK AT PROJECTS

With the new school year well under way, several grades have started work on projects. The second grade is working on an Indian project with the idea that at the conclusion of their study they will arrange a program to which the parents will be invited.

The sixth grade has just completed a several page booklet, "The Seasons," made interesting by illustrations. The seventh graders felt that their study of South America justified the preparation of booklets. In addition to that, Miss Baker plans to supervise the construction of an electrical map to further complete their study.

AROUND THE A. H. S. SPORT WORLD

Coach "Wally" Clark has developed an offensive punch that Andover has always lacked. That was proved in last week's game against Cuba. Clarke has four capable ball carriers in Church, Clarke, Don Brundage and "Male" Brundage and this quartet should make life miserable for Canisteo, Allegany and Portville, who are the three remaining teams on Andover's schedule.

"Male" Brundage's 85-yard run after he intercepted a Cuba pass last Friday is the second longest run Andover has made for an Andover player. Burt Seely, back in 1929 ran back a punt 109 yards to score against the Wellsville Junior Varsity. Andover lost that game too. It was in Brundage's first year out for football.

"Connie" Church, who is playing his fourth year of varsity football, scored his first touchdown Saturday on a pretty 35-yard run. Church has always been a good ball carrier, but has never put the ball over before. Don Brundage scored his first touchdown for Andover Saturday, too. It only took him four games.

It was very noticeable from the sidelines of the good sportsmanship of the Cuba boys in Friday's game. Some times that the Wellsville game when the orange and black were laying for scalps of the Andover boys—and got them too. Friday's game was the cleanest in football history in A. H. S.—only one penalty and that for an offside.

Big doings at Bolivar—Bolivar beat Canisteo recently 13-0, and that isn't all. According to reports they had a real scrap down there, and not football either. Coaches, players, officials, women spectators, all had a nice brawl after the game. We wonder who won? Nice people, what?

Andover should beat Canisteo Friday by about one touchdown, but will have to play consistent football to do it. Fenner has a good team, but we think that Andover will be on the long end of a 6-0 count. The Andover boys have won two games on their home field and have not as yet been scored upon. And after Friday they hope to have another feather in their cap.

Canisteo hasn't won a single game this year. But they have lost some tough ones, for instance: Canisteo 0, Hornell 6; Canisteo 0, Wellsville 7

Boys' basketball will start in about a week, the definite date for the first practice as yet not having been set. Football men who play basketball will not work out until Nov. 20, after a week's lay-off.

"Charley" Huffcut will coach the Varsity this year and will be assisted by "Wally" Clarke, who will also help Miss McLoughlin with the girls'

The first game will be November 29, according to the schedule as it now shapes up. This is the earliest game to be scheduled for some time.

See you all at the game Friday.

South Hill

(Mrs. Margaret Dean, Reporter)

Oct. 25.—Our first snow storm took us rather by surprise one evening last week.

Veronica Joyce of Davis Hill is helping Mrs. Dougherty with her work.

Kenneth Lynch of Patterson, N. J., was a South Hill visitor one day last week.

Dr. Scott of Andover was a professional visitor some days last week at Tony Dougherty's, whose little son Charles was seriously ill. Nurse Harkenrider of Rexville was also caring for the little one from Friday until Monday and he is now recovering nicely.

Mesdames L. Horan and H. Dean attended the card party in Blessed Sacrament Hall, Andover last Friday night.

Mrs. Margaret Dean was a Sunday guest at the O'Leary home in Andover, where their cousins, the Misses Jacka and Forrest of Dunkirk were also guests that day.

Mr. and Mrs. Howard Dean and children motored to Wellsville Sunday afternoon. Dolores Ann brought home a fine new doll, having won third prize in a little girls' popularity contest, conducted by Higgins Bros., of that city.

Farmers near this section had potatoes dug from their fields this fall. How much easier now to take them bagged from the barns, as was accomplished at Leo Horan's one night last week.

Mrs. J. Dauiher accompanied by her guests, Mr. and Mrs. McQuirk and children of Pittsburgh, spent Sunday evening with South Hill relatives.

John Dean of Buffalo was a visitor on the hill the first of the week.

Another spell of weather with a bad freeze, which is not to the liking of those yet digging potatoes. A number have finished the work in this locality.

Mainly thru the efforts of Mrs. Leo Horan, in the interest of our nearly defunct telephone line, a special meeting was called by Pres E. Schoonover for Monday evening in the Dean District school house. It was well attended by all patrons, existing difficulties were smoothed out and all are well pleased to be again "of the world." New officers are Leo Horan, president and Howard Dean secretary.

Ed. McAndrew has disposed of his potatoes stored in the barn to E. A. Mullen of Andover.
