Masquerade Party

Eleven Andover ladies, dressed in Halloween attire made a surprise call on Mrs. Grace Howland Wednesday evening and a happy time was enjoyed. Three tables of cards were brought into action with a prize for each, which were won by Mrs. Edward Kilbane, Mrs. T. J. McAndrew and Mrs. Ed. McAndrew.

A tureen supper was served.

Dates Claimed

Oct. 27—Hallowe'en Dance, Blessed Sacrament Hall.
Nov. 8—Chicken Pie Supper, O. E. S.

Wednesday, Nov. 15th, annual supper of the Presbyterian church.

One-tenth of the harvested hay-crop in the United States is lost each year from spontaneous combustion.

New Missionary Officers

The Women's Foreign Missionary Society of the M. E. church met at the church parlors Tuesday afternoon. Officers were elected as follows: President, Mrs. Charles Robinson; first vice president, Mrs. H. W. Coryell; second vice president, Mrs. Hervey Thorne; third vice president, Mrs. DeEtta Bullard; secretary, Mrs. David Slocum; treasurer, Mrs. Bertha Pingree.

Plans were made for work on the new material for the year. At the close of the session Mrs. Charles Robinson served refreshments.

China is the oldest country in the world with a continuous history, the earliest records going back about 5,000 years.

Trying to stop something usually starts more.

BAKERS' STORE NEWS

Published by Baker Bros. Hardware, Andover, N. Y.

Vera: "You said before we were married that my word would be law."

Louie: "That was before I found out that the law was unconstitutional."

Canned Oil

When you buy a two-gallon sealed can of Tindex Motor Oil you are buying proof against adulteration, substitution and filth, you get full measure of clean oil just as it left the refinery.

Do not confuse Tindex with oil offered by chain stores and mail order houses. Tindex is not just a can of lubricant put up at the lowest possible cost, regardless of real quality, but a member of the family that includes Tydol Gasoline and Vedol Motor Oil, with a reputation to maintain.

We use Tindex in our own cars, have tested it out in long hard drives and it has met every expectation.

The price for all grades Medium, Medium Heavy and Heavy is all the same \$1.00 for two gallons, full measure.

Buy the grade best suited to your particular motor, tractor or stationary engine.

Wet Feet

Your own fault. We have told you many times about Cement-on Soles, and the wonderful goo we have to waterproof uppers. Take care of your shoes with our findings, keep your feet dry and be happy.

Colors That Harmonize

A new way of selecting the colors you should use for your home painting job is now available.

We photograph your house, send the picture to Betty Moore and she lays out the color combination best suited to your particular location and architecture.

It is really surprising what a difference just a little touch here and there will make, and also how color laid out by an artist can make or mar real beauty.

There is no charge for the service. Your added satisfaction is ample compensation, and we know you will be most enthusiastic when we furnish you concrete evidence of what a layout by our color expert means to you.

Ask us about it.

Fifteen Dollars

Rather strong price to pay for a barrel of flour, ground from 90-cent wheat, but that is exactly what happens when you buy this awful machine made stuff sold as bread; the man who said "Bread is the staff of life" never saw the offerings of today. The regular eight-cent loaf has on a liberal analysis about two cents worth of food value; the other six cents goes into profit and expensive truck transportation.

We just can't understand the cry of hard times, depression, unemployment, poverty and the sale of ready made bread—they just don't fit together.

How would you like to have some good old-fashioned home baked bread, at the present price of flour and other ingredients it would cost about four cents a pound and would really be something fit to eat.

If your cook says she has forgotten or don't know how to make good bread, get a Universal Bread Mixer and follow the book, you can't go wrong!

This country could almost forget the terror of appendicitis if the people would go back to the exclusive use of bread like mother used to make.

Have You Qualified

That G. E. Mazda Lamp Contest is going and it's easy to get into the game—and into the money.

Ninety cash prizes from \$2.50 to \$500.00 and over 300 merchandise prizes. It's easy, the territory is limited and we don't see a single reason why many of these prizes should not come to Andover.

Radiator Frozen?

An expensive repair job in prospect, may happen any morning now—you can't trust the weather in this locality when the calendar says November!

Our sales of Methanol last season was so large and its users so well satisfied that we offer it again this season.

It is clean, nearly odorless, low in price and it does protect against frost. There are no if's and and's about it.
