## Thanksgiving

tion from our regular labors to rest and enjoy; it the day of the annual big feast and the gathering of on during the coming year. the family circle; and the day for Thanksgiving. In this last named aspect is the true meaning of going. Give now. the day. It is the day set apart each year to count our blessings and be thankful for our part in life. That first memorable Thanksgiving Day established the precedent and in the contrast we find, all of us, much for which to be thankful regardless of our walk in life. Perhaps we would like to have more than what we have, enjoy the many blessings that are ours today. Even L nation's greatest city. For the first time in the most humble will find their lot a grateful one when years the grip of the Tiger upon the people of New living room. the conditions are compared with those that our fore-|York has been broken.

quaintances are renewed and old friends greeted anew inate Tammany's influence from party politics. while those folks are again in the home neighborhood.

and more generous hearts. Thanksgiving is a great day, one which we could
