it remained for the closing hour! to produce some important action. flowing water. Chairman Thompson, charities committee, moved the chair name committee of five persons, three supervisors, to study the set up of town and county government here and submit recommendations to be forwarded to the state legislature for use in the reform of local government procedure over the state. The chairman did not announce hi selections, when the resolution was

adopted. Schaller Says Allegany Has Invisible Government

Speaking on the matter of better procedure, Supervisor Schaller Wellsville, charged that not only Washington but Allegany county as! well has an invisible government. He told of securing passage of resolution two years ago ordering) the finance committee to submit two weeks before the annual session of the board a tentative budget for the! coming year in order that solons might familiarize themselves with the amounts granted. This was never done, the highway chairman tell ing him, Schaller said, that it could not be known how much would be needed for that department unti' nearly the end of the session. The present method leaves no guide for action and at the last minute important appropriations of great importance are pushed thru too hur-

Supervisor Thompson agreed with some things said by Mr. Schaller and urged a better business procedure in some advance notice for guidance before action is taken. t was not until 4:30 p. m. sthat adjournment was taken until Wednesday morning at 10 a. m.
