## Andover National Bank

Capital—\$100,000.00

Surplus Fund—\$25,000.00

On Tuesday morning, January 2nd, our doors will open to succeed the Burrows National Bank and the Andover State Bank which have served you so well over a long period of years.

In making this announcement, we wish to assure all of the customers of both banks, as well as the community and surrounding territory, that in planning this merger our aim has been to provide a bank with facilities and service which cannot be surpassed anywhere.

The officers and directors of both banks were unanimous in their opinion that the best interests of the community could be better served by one large bank with an increased capital than thru two separate institutions and it was only thru their generous and unselfish support that "THE ANDOVER NATIONAL BANK" has become a reality.

It is our hope and wish that our friends, no matter what their former banking connections may have been, will look upon the new bank as their banking home. Our officers will at all times deem it a pleasure to have you call upon them, whether on business or for a friendly chat, and assure you that you will be greeted with a sincere and friendly welcome.

Special offices have been prepared and it will be a pleasure to have you transact your business with our officers in a private way if you so desire.
