ABRAHAM LINCOLN was born February 12, 1809. On this anniversary of his birth, the officers and personnel of The Andover National Bank pause in due respect for the unusual qualities his memory commands. His honesty in deed, his integrity in mind and his undoubted sincerity of purpose are qualities that this institution holds high in its scale of values: qualities that it attempts to emulate in all its dealings.

In honor of Lincoln's Birthday, this bank will remain closed all day Monday, February 12, 1934.
