AROUND THE A. H. S. SPORT WORLD

Andover High School has a wonderful basketball team. They took first place to the State League. Coach Huffcut, having only five men on the squad, tried out a new idea in the sports world. With the help of W. W. Clarke, science teacher, Huffcut gave his men oxygen before each game, and at the halves. This gave the players new strength and they set so fast a pace, that other teams were forced to use their entire squads, and still the opposing teams went down to defeat at the hands of our players. Some of the overwhelming victories are:
Andover 65, Alfred 0.
Andover 68, Cuba 1.
Andover 75, Fillmore 0.
Andover 75, Whitesville 1.
Andover 82, Canisteo 1.
Andover 71, Allegany 2.
Andover 83, Bolivar 3.
Andover 90, Hornell 3.
Andover 88, Corning 5.
Andover 71, Rochester 2.
Andover 79, Ithaca 3.
Andover 0, Jasper 76 (forgot to give oxygen).
