Around Our House

FIGHT THE FLY

The time to fight the fly is before the fly appears. The homemaker who takes the offensive in early spring will not find herself on the defensive in August.

Copper screening will not rust and lasts for many years. Tho it costs a little more, it is economical over a period of years.

Born, May 5th, to P. Mulcahy and wife, a son. James A. O'Leary passed around the cigars Monday. The reason is that a young lady appeared at his home last Saturday night.

RING WORM

The other day a young farmer came into my office. He was in town to do Saturday shopping. Was in perfect health, except a skin affection which had not yielded to applications of the home remedies.

Its cause, a comparatively coarse "germ," the tinea circinata. Of course the treatment is to destroy the parasite.

Homespun Yarn

Carbon tetrachloride is a good cleaner for neutral-colored leather shoes, because it does not injure the surface finish.

Stockings purchased half a size larger than is actually needed for the foot require less mending and are more comfortable.
