David Robison

David Robison, son of Orson W. Robison of this village, died at Zanesville, Ohio, Thursday morning, June 28, 1934.
Deceased was born in Alfred 34 years ago and was a graduate of Alfred University as a ceramic engineer. Mr. Robison had been very successful in business and held a responsible position as superintendent of a large tile plant at Zanesville at the time of his death, which was caused from a malignant form of scarlet fever with which he was ill only five days.
He leaves a wife and two children.
Interment was at Alfred Saturday afternoon.

Softball Activities

The Andover girls softball team won from the Hornell girls by the score of 14 to 8 last Friday evening on the local diamond.
This Friday the girls go to Hornell for the return game there. The girls expect to play the newly organized Angelica team in the near future, also Richburg, Millport and other games will be arranged.
The Andover Odd Fellows' softball team played the Whitesville lodge team on the local field Thursday evening.

The TIRE SENSATION of '34
THE NEW
Firestone
CENTURY PROGRESS TIRE
Bequest Competition
IN QUALITY AND PRICE
WITH ANY FIRST QUALITY TIRE MADE

As the millions of World's Fair visitors saw tire made in the Firestone Factory and Exhibition Building, we asked thousands this question: "What do you value most in a tire?" Car owners from every state in the Union were interviewed—drivers of automobiles, trucks, busses—out of it all came one composite answer: "Give us Blowout Protection, Non-Skid Safety, and Long Wear, at a moderate price."

Firestone engineers used every conceivable resource in the development of a tire embodying these qualifications and selling to the public at a price within the reach of every car owner. Answer — the new Firestone Century Progress Tire.

COMPARE QUALITY—CONSTRUCTION—PRICE

This new tire is equal or superior to any other first quality tire, regardless of brand—name—or by whom manufactured, or at what price offered for sale. Call on the Firestone Service Dealer or Service Store and examine it. You will be sold on the rugged quality and will want to equip your car with these new tires.

REMEMBER — you save money buying today, as rubber has advanced 442% and cotton 190%, and tire prices cannot remain at these low levels.

Now A TRIPLE GUARANTEE

- for Unequaled Performance Records
- for Life Against All Defects
- for 12 Months Against All Road Hazards*

*Six months in commercial service.

See how Firestone Tires are made at the Firestone Factory and Exhibition Building, World's Fair.

Listen to the Voice of Firestone—Featuring Gladys Sawyer—Every Monday Night on N. E. C. W. L. P. Network.

Why did the Century of Progress select only Firestone among all tire manufacturers to exhibit the scientific development of rubber in the Hall of Science?

Why did the Century of Progress select only Firestone among all tire manufacturers to show its millions of visitors how tires are made?
