RS. T thought, when she bought her new electric NS. I thought, when she bought her new electric range and refrigerator, that her electric bills would be quite a bit higher. But she got a pleasant surprise!

Formerly she had used electricity only for lights, for a washer, toaster, radio and a fan. Then she got an electric mixer, some new lamps—and finally the range and refrigerator. Yet she says she hardly notices the few cents day increase in her monthly electric bills.

While food and other things are going up in price, the price of electricity goes steadily down. Your own electric bills will show you that the more you use, the bigger
