Why the Potato is Irish

Way back in 1495 Columbus took seen in Spain. It was a curio, as ! them; a great deal more of a curio; than tobacco ever was or than potatoes which in 1585 were taken back by Sir Walter Raleigh, But Sir Walter Raleigh was potatoes and planted them on own Irish estates and because they quantities to be used on the tables of the Countiers, they were called of "Irish Potatoes."

Coming to Aid

News Writers

Finf. Bristow Adams of the College of Agriculture at Ithaca is to visit Allegany County Friday, Oct. 4 ober 12, under the sponsership of 💠 the Home Bureau, and address newswriters about their work. The humblert writer of personals of Grange notices from the smallost! community will be as welcome as J the owner of the county's daily party newspaper of its leading weeklies. Dr. Adams is a journalist of long 🛂 experience in charge of the publications of the college of agricul-

Home Grounds

The home grounds improvement contest sponsored by the Home Burean and allied organizations, begur last spring, is to end this month Judging will be done the last week! in September. The written reports ! and pictures which each contestant must furnish are due now in the Home Bureau office at Belmont.

A great crystal of beryl, weighing 1,000 pounds, and found at quarry in Maine, has been added the Field Museum's exhibits.

Termites, notorious for their wood-eating habits, also damage living fruit and timber trees and crops. Nevada has 109,000 square miles for its population of less than 100,-
