EDITORIAL

Through all the centuries songs have been used to inspire. Some times songs are used to change sadness to joy; sometimes they express the unquelled spirit of the age. Songs have always been used to inspire all to deeds of valor.

That same can be true of us. Come Andover High School students—let's get into this school spirit. Learn these words of your Alma Mater's song:

Let's get a rah for Andover High School,
And let us pledge to her a right;
Others may like black or crimson,
But for us it's purple and white.
Let all our troubles be forgotten,
Let high school spirit rule;
We'll join and give our loyal efforts
For the good of our school.

Chorus
Andover High School,
Andover High School,
The pride of every student here,
Come on, you old grads,
Join with us young lads,
Andover High School—
RAH! RAH!
Now is the time, boys
To make a big noise,
No matter what the people say,
For there is naught to fear:
The gang's all here, so—
Hail Andover High School—
A-H-S—

HONESTY

J. Regan

Honesty is that quality of man that shows him fair and truthful in speech, above cheating, stealing, misrepresentation or any fraudulent action. With little effort on our part we can obtain this precious virtue and turn ourselves on the road to happiness and success.

We are not loyal citizens to our community, state or country if we do not consider honesty in our dealings with others. People who have once been on the road to fate but turn back to honesty which is the smoothest road to success, are considered as honorable as those who have always been blessed with this gift.

If we have made the wrong turn in the road, let's turn back to the road of honesty because we all want to lead successful lives.

Now the following magazines are missing from the library:
American Boy—August.
Boy's Life—August.
Popular Mechanics—September.
Readers' Digest—October.

If anyone has any of these, let's show our honesty by returning them.

PUNCTUALITY

By Jean Millapaugh

There is one thing that I have learned about punctual people. Such people are usually very honest and trustworthy. One can always depend upon them. They make the best of friends. Who likes the kind who comes in, breathless, and at the last moment, making excuses for his tardiness?

We must remember that part of our time belongs to others, and in giving this time, we are broadening our minds as well as our own lives.

Punctuality in one sense, means responsibility. So, if someone makes a date to meet you at a certain place, at a certain time, do not fail to feel responsible. Make yourself arrive on time. There are so many things for which we must be responsible, this ought not seem difficult. Responsibility makes a child feel more grown up.

Punctuality, and lots of it, is needed in all sorts of business. How far will a man get who is continually arriving at work tardy? Minutes count. In some forms of business, two minutes late may mean the loss of a job. Watch this, then, for jobs are scarce. It is necessary for students in school to be punctual.

If you do not expect to keep an appointment, then do not make it. If you find that you cannot keep it, let the person with whom your appointment is to be kept, know immediately. Otherwise—be on time!

FRESHMEN ENJOY PARTY

The first social activity of the Freshman class took place last Thursday night, Sept. 20th at Elm Valley.

Each member of the class invited a guest, so there were many there to enjoy the weiner roast, which turned out to be a marshmallow roast too, because there was an equal quantity of both.

The victrola loaned by Doris Honegger, supplied the music.

Mr. Bretch, Mr. McGee and Mr. Host, class advisor, attended.

BOLIVAR DEFEATS ANDOVER

Saturday, Sept. 22nd, the Andover High School football team journeyed to Bolivar where they met defeat with a score of 12-0.

The boys showed good training and maintained courage throughout the game. During the battle several dependable players were injured and thus the line-up was weakened a great deal.

In the first quarter Bolivar kicked to Andover. After two plays Andover failed to gain ground. Andover kicked to Bolivar's 15-yard line where they held their opponents for two downs. Bolivar threw a pass which was knocked into Bolivar's hands by Andover, thus giving Bolivar a first down. Bolivar was unable to gain and the play was in the middle of the remainder of the first quarter. Bolivar kept the ball in Andover's territory the greater part of the second quarter. At the last of the second quarter Andover fumbled and Bolivar recovered but couldn't score. In the second half Andover kicked off, Bolivar fumbled and Andover recovered. Bolivar scored in the third quarter and continued to fight until they scored again in the last quarter.

Throughout the game the blocking displayed by Andover was very good but the tackling was poor at times.

ASSEMBLY PROGRAM WELL RECEIVED

The first assembly of the High School and seventh and eighth grades for the present school year was held in the High School Auditorium Friday morning, Sept. 21st, the general theme being athletics.

Sidney Miles, popular athletic coach of Wellsville High School was the principal speaker. He outlined some of the methods used by different schools for raising money for the support of athletics and stressed the importance of every pupil getting behind the athletic program, whether a participant or not. Most schools have found some type of Athletic Association organization with a season ticket for all sports and athletics to be very desirable.

Mr. Miles said that he believed football to be one of the best sports for the training of boys to become better men and urged the support of the team, whether it wins or loses.

In conclusion he brought to the football squad the best wishes of the Wellsville squad for a successful season.

Coach McGee also gave a brief talk, stressing the importance of a cheering section at the games, and urged the support of all of the students in attending with paid admissions the home games.

ATTEND ATHLETIC MEETING

Principal Glenn E. Bretch and Coach William S. McGee attended the annual fall meeting of the Allegany County Public High School Athletic Association held in Belmont Tuesday evening, Sept. 25.

About 30 representatives from Allegany county schools were present. A steak dinner was served by the Hotel Belmont, following which the meeting was called to order by President Robert Witter of Friendship. Two new members were elected to the council and the council reorganized with Forrest Uratt of Whitesville as the new president.

Discussion of the manner of appointing basketball officials, the fees to be paid, and the building of the basketball schedule for the 1934-35 season was in order with appropriate motions. It was decided to have two leagues for the smaller class C schools and one league for the larger Class A and B schools.

Andover High School is a class B school and will play games with Belmont, Cuba, Friendship and Fillmore in Class B and Wellsville and Bolivar in Class A.

TAG DAY FOR ATHLETIC FUND SATURDAY

The annual drive for raising funds to carry on the school athletic program will start Saturday, when a group of picked representatives from the school will canvass the village for volunteer contributions to the fund. An appropriately colored tag will be given to each contributor as an indication of his support. No fixed amount is set, the contributor giving any amount he wishes.

The Athletic Association is particularly in need of funds at the beginning of the athletic season, since new equipment for football, including jerseys and helmets, has been purchased and since the usual returns from home games is not enough to meet this expense.

FROM THE PRINCIPAL'S DESK

My appeal this week is to the people of Andover for the support of our school athletic program. The ideas concerning the place of athletics in the school program have been much changed during the past ten years.

At one time a group of boys from a school would get together, organize a team at the local cigar store, supplement it with outside street corner talent and sally forth to play nondescript teams under the name of the local high school. The local school officials did not consider this a part of school routine and consequently there was no coaching or supervision, with the result that but few gained any doubtful benefit and the morals and standards of the group were endangered and dwarfed. Even at the present time we may find a school now and then that runs its athletics on this basis.

However, there is a growing tendency on the part of most communities to recognize athletics as a part of a larger program of physical education, the aim of which is to promote health, rugged physique and character. The school more and more is assuming the responsibility of carrying out this program of making it apply to a larger number of pupils, and of seeing that it is so organized and supervised that it will also be an incentive for better scholastic work.

Personally, I believe an athletic program is just as essential in the school curriculum as the study of mathematics or history or any other field of subject matter. I likewise believe that the athletic program should be just as carefully organized and administered as any part of our school curriculum. In other words, we are aiming to make athletics a definite part of our school program, designed to train boys and girls to "play the game" hard, to take victory modestly and defeat graciously and to make it a stimulus for good scholastic work with definite requirements for eligibility to participate and thus represent the school in contests.

There are many expenses of this program that must be met by the Athletic Association itself. New uniforms and equipment, officials' fees, guarantees to visiting teams, etc., cost money and we have to depend on the local students and taxpayers for meeting this expense.

You can help in three ways: First, buy a tag next Saturday; second, buy a ticket and attend every home game; third, patronize the entertainments and other activities sponsored by the Athletic Association.

FIRST FIRE DRILL HELD

At 1:25 Wednesday afternoon the bells throughout the school sounded five times, a signal that every one was to leave the building for a fire drill.

Instructions for each room had been issued previously and pupils and teachers filed out from the building in an orderly and efficient manner. Mr. Bretch expressed his satisfaction with the manner in which the drill was executed and indicated that the building had been completely emptied in a little less than two minutes.

Pupils and teachers were forewarned of this drill. Subsequent drills will be held unannounced. The State Department requires at least ten drills to be held during the year and recommends that the majority of them be held during the fall months.

FACULTY FACTS

Miss Margaret Beman, third grade teacher, was unable to return to school Monday because of illness. She remained at her home in Elliptonville. Mrs. Richard Harder is substituting in her place.

There seems to have been a homeward for most of the faculty members this week-end. Miss Trenkle went to Portville; Miss McLaughlin to Avon and Miss Farnham to Rochester to attend the wedding of her brother.

Miss Schwartzbach visited in Wellsville and Scio.

Miss Clifford and Miss Russ attended the game at Bolivar Saturday as did Mr. Bretch and Mr. Host.

CAN YOU IMAGINE—

Deke Clarke talking about something other than Packards and charming jonquils?
Eddie Brewster on a diet?
Edith Patten shooting paper wads.
Charlotte Cook not giggling?
Phil Lynch speaking French?
Dignified Freshmen?
Beatrice Shy instead of Sly.

SOPHOMORES CELEBRATE

About 30 members of the Sophomore Class under the direction of Miss Clifford and Miss Russ, class advisors, journeyed up Greenwood Hill to enjoy a class outing last Tuesday afternoon.

Weiners, rolls and marshmallows provided sustenance for the group and the hills resounded with the merry peal of laughter and excited conversation. Mr. Host accompanied the class as a guest.

JUNIOR'S ORGANIZE

On Monday, Sept. 24th, the Juniors held a meeting in Room C, for the purpose of electing class officers.

Beatrice Sly was elected president. The other officers were as follows: Rita Dean, vice-president; Marion Lever, secretary and treasurer. The class advisors of the Junior Class are Mrs. Joyce and Mr. McGee.

Another meeting will be held soon for the purpose of formulating activities for the year.

THE SPOTLIGHT ! !

What a game! What a game! What a football game! All our poor boys look as tho they had been thru a food chopper.

"Deke" can hardly walk, and "Eddie's" face is all black and blue. (Bolivar must have somebody larger than "Eddie" on their team). Foul play, so they say! Andover built her hopes high and took quite a tumble this time, but just wait until the next game—we'll show the world!

I found my way down to assembly Friday morning and enjoyed myself immensely. I nearly fell over myself when Mr. Bretch asked the pupils if they knew what song he liked best and dignified little George Joyce shouted, "No, 'Live and Learn,' that's my motto."

No one knows it, but I was shining brightly at the Freshman weiner roast. Ouch, all those dogs barking caused some commotion. The post-graduates weiner roast turned out just about the same.

I have some more news to tell you—I have all the inside dope too. Friday, the Commercial Law Class of Andover High School is going to try a case before the judge and jury. There will be lawyers and witnesses also—made up from the class. You should hear lawyers Brewster and Alderson presenting their cases. Mr. McGee will be the judge and his decision cannot be carried to a higher authority—Really, a most interesting class!

What's wrong? There are hardly any boys out for the Hi Herald this term. "Come on, boys, we need you!"

The Seniors are planning a dance on October 6th, so come, help the Seniors and enjoy yourself.

Another interesting feature this week was having our pictures taken. "Tweet, tweet, tweet—see the birdie!" I am particularly anxious to see how my picture turns out, as I turned in all my rays with full force. One grand effort!

Can you see my picture?

THE SPOTLIGHT A-H-S

About 50,000 Canadian farmers and other land owners are in the maple sugar business.

ANDOVER TO PLAY DANSVILLE SATURDAY

Saturday Andover goes to Dansville for the second game of the season. Dansville is coached by Mr. Linderman and won the Livingston county championship last year. They lost their opening game with Warsaw, but expect to be much stronger Saturday. Altho they have a very good passing attack and are somewhat heavier than Andover, Coach McGee says his boys have a very good chance to take them over if those players who were injured in last Saturday's game are able to play. The line-up will be the same with the exception of Brewster, as fullback, on defense.

This promises to be one of the season's best games and a large crowd from Andover should attend and cheer for their team.

POST GRADUATES HOLD WEINER ROAST

On Monday after school the post-graduates held a weiner roast at the Elm Valley swimming school.

Miss Farnham and Miss Kelley acted as chaperones to the few who attended. They also put on the entertainment with the help of Mr. Host and Mr. McGee. A good time seemed to be enjoyed by all.

GUESS WHO ? ?

This tall curly-haired blonde is a Senior. She has a very quiet, pleasant personality, and is a dependable, hardworking person who is liked by everyone. She has brown eyes and wears glasses. She holds an important place in the Hi Herald staff. You will see her in the company of her special girl friend, "Jessie" Briggs very often.

Answer next week.

Answer to last week's Guess Who, Joe McAndrew.

WHAT'S IN A NAME?

Josephine Baker

The Baker got up Earley to Cook ham-Burger and make Parker-house rolls for the Pope's and Dean's breakfast, which was to be very hardy.

The Pope got angry at the Dean and Burns, so Sly did Appier and shot off a Cannon, which scared the Black-Smith.

The Dean got big hearted and sent his wife a Cable and a set of Rogers silverware as a gift.

The Pope was very Wittle and went to Church the following day.

The Dean later told his wife he was going to Lever and go West. He went where the grass was green and kept on going until he reached the Wahl of China.

The Pope, having nothing to do decided to go to the Babcock theatre and so he asked his Host to go with him.

Seniors Sponsor Dance

The Seniors are planning a dance October 6th, to be held in the High School Auditorium. The name of the orchestra playing will be announced in the next issue. It will be the first money-making project of the season. This dance will be open to the public and the admission will be 50c a couple or 25c stag.

"WATCH THE BIRDIE"

"Have you had your picture taken?" This is a question everyone was asking his neighbor, as he passed thru the halls to his classes. It was interesting to notice how having their photographs taken effected different people. Some rushed to the library to see if they could beat their friends, others hung back with "I'm not going to have my picture taken; I would break the camera," and other colloquial expressions. As a general rule, when people don't like to have their pictures taken, they go to the library, nervously, biting their fingernails, or pushing back stray hairs in an effort to make themselves more presentable. They sit down in the chair and look as glum as possible. Then the magic "See the birdie?"—a smile, and—click—another picture!

A picture was taken of every student of Andover High School when these pictures are finished they will be offered for sale in sets of six each. These pictures were taken by Joseph F. McMenamin, a representative of the Blue Bird Studios, Philadelphia. This studio specializes in school photography.

HUMOR

Miss Clifford: "To the right of you is the North, to the left is the South. In front of you is the East. Now, what is behind you, Farnham?"
F. Pope (beginning to bawl): "I told ma you'd see the hole in my pants."

Mrs. Joyce: "What is it that hunters find in Africa that is dangerous to approach and that has a horn?"
Little Jack Regan: "I know, teacher, an automobile."

After two years of married life: Florence Parker: "You came in late again last night."
Don Lynch: "It was only a quarter of twelve."
F. Parker: "How can you say that—I happened to look at the clock and it was just three o'clock."
D. Lynch: "Well, isn't three a quarter of twelve?"

B. Kruger (hearing a crash of dishes in the kitchen): "Mercy, what was that?"
C. Cook: "Oh, that's the cook. Promptly at eight she stops work and drops everything."

WOULD YOUR TIRES

STOP

YOU IN TIME? * * *

GOODYEAR ALL-WEATHER
43% Longer Non-Skid Mileage...
No Extra Cost.

DOUBLY GUARANTEED
1. Against road hazards.
2. Against defects for life.

GOODYEAR SPEEDWAY
Built with Super-twist Cord. A lifetime guaranteed Goodyear—full over-size—with Center Traction for quick stops and tough thick tread for long mileage. Value you get because Goodyear Dealers sell the most tires—by millions!

30x3 1/2—\$4.40
4.40-21—\$4.95
4.50-21—\$5.40

Prices subject to change without notice. State Sales Tax, if any, additional.

Skidding—cause of 5 1/2 times more accidents than blowouts—becomes more dangerous as winter approaches. For quickest stops buy "G-3" Goodyears—proved safest by 8,400 tests.

When you must suddenly jam on your brakes, averting an accident often is a matter of inches. Well, stop tests on slippery pavement show: on smooth tires you slide 77% farther, on other new tires you slide 14% to 19% farther than on new "G-3" Goodyear All-Weathers. That's the Goodyear Margin of Safety—a big reason why more people buy Goodyears than any other tire. Since it costs you nothing extra, why not have this margin of safety on your car too?

NOW! THE NEW TYPE "H" GOODYEAR ALL-WEATHER TRUCK BALLOON

Designed for fast over-the-highway service on trucks and trailers. Now you can expect sensational results. Phone for salesman.
