EDITORIAL HALLOWE'EN

For centuries Hallowe'en has been a time set aside for people to enjoy themselves. When our parents were young they had much the same attitude toward this season that we have now. It seems unfortunate that Hallowe'en pranks (?) have developed to such an extent that property is destroyed and people mistreated.

In a great many localities the governing bodies have been forced to pass laws for the punishment of those who carry the fun of Hallowe'en beyond the limit. For many this is not a time for enjoyment but a time and opportunity for venting a malicious spirit.

The people of our community understand fun, but when it comes to the wanton destruction of property they cease to see the joke. Let us do nothing that we would not feel sorry to have done to our own home.

PRINCIPAL ADDRESSES HOME ROOMS

Be courteous to your teachers and to each other, be regular in your attendance, use the proper entrances to the building, wear three of the important points stressed by Principal Glenn E. Bretch in talks given before each home room group Tuesday afternoon at 3:30.

Mr. Bretch again complimented student groups as a whole and urged the co-operation of each individual in improving the details mentioned.

On Wednesday morning Mr. Bretch addressed also the grade pupils in each room and stressed the importance of using the proper entrances and of not arriving at the building in the morning on a run before the doors are opened.

He requested each pupil to inform his or her parents that the doors do not open before 8:40 and 12:55 and that the children are not to come to the building before that time. Failure to observe this request will necessitate the closing and locking of all outside doors until the first bell rings.

Pupils coming from the country early are admitted to the basement and lunch rooms.

SENIORS PLAN DANCE

The Seniors are planning another dance for November 10th at the High School Auditorium.

"Jimmy" Gray and his orchestra will furnish the music. Dancing will be from 8 to 12.

The advertising committee consists of Rita Burns, Eleanor Greene and Jennie Dodge, and the decorating committee of Marian Nobles, Doris Howland, Jack Regan and James Lynch.

Everyone's working hard to make this dance a big success. Chaperones will be announced later.

PERFECT ATTENDANCE AWARDS MADE

All pupils in grades one to six who had been neither absent nor tardy for any reason during the month of October were rewarded last Friday afternoon by not being required to attend the afternoon session.

This reward plan was tried only as an experiment and may not be followed in subsequent months. It is hoped to find some desirable reward for excellence of attendance that will stimulate good attendance and yet not seriously interfere with the pupils' school program.

ACROSS THE PRINCIPAL'S DESK

The death of any boy or girl brings sorrow into the school and community as well as the home of the bereaved and this is certainly true in the case of Clinton Clair. Unfortunately, the circumstances attending the death of this lad were of such peculiar nature that rumors have run rampant and people have been unjustly criticized and blamed.

A thoro investigation of the circumstances reveals that these rumors and early newspaper reports were not based on facts. May I quote Dr. Leahy's official signed report to the school:

"Cause of death: Tetanus infection from a punctured wound of buttock infected by a splinter of wood ten or twelve days previous."

Dr. Leahy further indicates that there was little connection, if any, between the fall sustained on the school grounds and the boy's death.

The fall was caused by another boy backing into the boy, both pupils falling to the ground in the encounter. After recovering from the immediate effects of the fall, the boy appeared perfectly normal and did his school work for the afternoon, remaining voluntarily to wash blackboards, a task lasting about ten or fifteen minutes. He was not required to do this. The teacher, Miss Beman, cannot be justly accused of fault or poor judgment in this connection.

I wish, also, to clear Elbert Cable, whose name has been linked with this incident. He was in no way connected with it.

ANDOVER vs. ALLEGANY

The Andover High School football team journeyed to Allegany Thursday, Nov. 1, to play the heavy Allegany team.

Altho Andover lost to Wellsville last week, they played the best game they have played this year. Allegany and Andover each won one of the two games they played last year and both teams will be fighting hard to win this game. Not much is known of the Allegany team except that they have a heavy team and outweigh Andover considerably.

With Andover showing the improvement have in the past few games, they should win.

The starting line-up:
Left end, J. McAndrew; left tackle, E. Brewster; left guard, R. Briggs; center, J. Cannon; right guard, M. Briggs; right tackle, C. Lardick; right end, E. Kemp; quarterback, D. Clarke; right halfback, B. McGill; left halfback, E. Alderson; fullback, D. Brundage.

MR. SHINN VISITS SCHOOL

Howard Shinn of Wellsville, a representative of the Y. M. C. A., met the boys and girls of Andover High School Monday afternoon for the purpose of organizing a boys and girls Hi-Y Club.

These clubs seek to create, maintain and extend thruout the school and community, a high standard of living. The club meets at the homes of the club members with their leader, who plans a program with the help of an advisory leader of the Y. M. C. A. They discuss topics of interest in the world at present and how the topics affect them.

Membership in this club is restricted and new members can only be admitted by the vote of the whole club. There is only one thing that one can work for in this club, and that is the Hi-Y key. To obtain this one must excel in school and in athletics.

The Y. M. C. A. will bring in speakers who will discuss colleges for those who intend to go on to school after graduating.

As a whole, the Hi-Y club deals with social life, educational life, religious life and life in general.

About 50 students turned out to this meeting.

WELLSVILLE OVERCOMES ANDOVER 20 TO 0

Wellsville High School, undefeated a close call when they met and defeated the smaller Andover team by a score of 20-0 on the Andover field Saturday, October 27th.

Wellsville kicked off to Andover and McGill received but was downed in his tracks. On the first play Andover completed a pass for seven yards, then Wellsville blocked a punt and recovered. Wellsville could not gain thru Andover's fighting line and Andover took the ball on its own 20-yard line. Failing to make this yardage Andover punted to midfield.

The first down was made by Wellsville carrying the ball back to the midfield strip. After two plays were smothered, Walt Gardner took the ball, started around right end, cut back thru tackle and hooped his way across Andover's goal line for the first touchdown. DeBarbieri placed-kicked the extra point. For the rest of the quarter, play was in midfield.

In the middle of the second quarter, Andover got going and advanced the ball to midfield before the half ended.

Andover kicked off to start the second half, but McCarty, who received for Wellsville was downed before he took a step. Wellsville now completed their only pass and McCarty was tackled on Andover's nine yard line. Trying to buck the line they were repulsed and took to the air, but again their passes were knocked down and Andover took possession of the ball on their own eleven yard line. Andover punted and in the rest of the quarter play was in midfield.

In the last quarter Wellsville received the ball on Andover's 28-yard line as a result of a punt, which due to the wet condition of the ball, slipped from Brundage's foot. Three plays later Magner took the ball from the eleven yard line on a reverse. A punt for point failed.

The third touchdown was made when after the Wellsville kick-off the ball went on Andover's goal line and Wagner fell on it. DeBarbieri made the conversion one run around end.

The game ended with Andover in possession of the ball on the 10-yard line.

Line-up:
Andover: M. Andrew, left end; E. Brewster, left tackle; R. Briggs, center; J. Cannon, right guard; M. Briggs, right tackle; C. Lardick, right end; E. Kemp, quarterback; D. Clarke, right halfback; B. McGill, left halfback; E. Alderson, fullback; D. Brundage.

Wellsville: J. Magner, left end; C. Shine, left tackle; R. Bennett, center; J. Putzman, right guard; J. Colegrove, right tackle; T. McEnroe, right end; J. Dye, quarterback; W. Gardner, right halfback; B. McGill, left halfback; D. O'Connor, fullback.

AROUND A. H. S.

Two Graders Write Poems
Two poems and a story were written by second graders about the Indians. They follow:

Indian Poems
The Indian had a canoe,
It was colored a bright blue.
By the whole grade
Indians
There was an Indian sitting by his tent,
He was very old and a little bent;
He watched the sun all day and the moon at night,
He wore feathers in his hat and a blanket tight.
A papoose baby was in its bed on its mother's back,
While she did all the work and let Indian Joe sit back.
—Barbara Childs.

Indian Story
I am a little Indian girl. I am seven years old. I play with my doll. I have a little sister. I have a little brother. I live in a wigwam.
—Wilma Goodridge

The first grade is having a Hallowe'en party Wednesday afternoon, October 31.

The third graders have been making a freize of farm pictures along with their geography study.

The fourth graders are making rubber trees and booklets to correspond with their study of the Amazon valley.

The seventh grade is doing construction work on the study of the Colonies.

SUPPOSIN' THAT YOU—

Boys held the doors for the girls. Girls thank them for their kindness.

Say please when asking a request. Boys let the girls and teachers pass from the room first. Don't let the doors slam in people's faces.

Beg pardon after running into someone.
Walk as quietly as possible when walking around the class room.

THE SPOTLIGHT !!

Here's your ole pal back again with lots of news. I've sure had my eyes open this week.

It seems that old A. H. S. still holds her popularity, for three of the '34 class have recently come back to check up on our behavior.

Altho we had a fast game with Wellsville, she got the best of us. Yet it could have been worse—and your old Spotlight was yelling like fun for our team. I got a big kick out of the number of the substitutions the Milesmen had. If I were them, I shouldn't feel very proud of such a victory. However, there was a large crowd out and here's hoping that as large a one will go to Allegany, Thursday and yell for the boys.

June Babcock, who is continually finding mistakes in Nyberg's geometry, is writing a new edition of her own. Joe McAndrew and John Cannon have contributed some "bright ideas" to this book.

Well the Freshmen had a party Monday evening. In connection with this party, Jimmie Lynch was heard to exclaim: "Was my face red when I was asked to attend the Freshmen party?" Jimmie explains this redness to the fact that a Freshman should ask a dignified Senior to a party!

My! My! Lots of fun! Plenty of eats. George Joyce got the prize for being "dressed up" the funniest. He was dressed as a girl. There were some eighth graders at the Freshmen party. Doris Honnegger invited Clyde Briggs, Donald Hardy invited Marion Burgett and Charles Burgett invited Edna Honnegger. What do you think of that?

You know, I have an idea that "Jackie" Regan is trying to make a hit with Crandall. You've got to be a football hero, Jack. That's why Joyce was successful.

Harold Allen, when asked who he thought was the best looking girl said "Marion Swartz." You surely haven't been making eyes at him, have you Marion?

Hi-Y Clubs are being organized for both girls and boys this week. I hope these organizations will be successful in our school.

I wonder what the faculty will do in Rochester at the Convention, convene?

I'll be with you again next week and if you do not want your name to appear in this column, be careful what you do for I know all and hear all.

FRESHMEN CELEBRATE HALLOWE'EN

The members of the Freshmen Class and their guests celebrated Hallowe'en at a party in the gym Monday evening, October 29. Many of the guests arrived in costume.

The evening was spent in playing various games. After the refreshments sandwiches, doughnuts, cake and cider were served and the party came to an end. Mr. Bretch, Mr. McGee and Mr. Host, the class advisor, were present.

PEP MEETING HELD FRIDAY

Friday afternoon, October 26th, before the second home game of this season, a pep meeting was held in the gymnasium at 8:15. Short pep talks were given by Miss Clifford, Mr. Host and Coach McGee. All pupils were urged to attend the football game with Wellsville Saturday and to cheer as loud for Andover as possible. Several cheers were given and the meeting closed with the singing of the Andover school song.

Miss Mary Jo Russ went to Chicago to attend the fair. Altho she had but a very short time there she reports that she saw a great deal of interest to her.

Miss Margaret Kelley visited her brother at St. Bonaventure, Saturday.

Miss McLaughlin, Miss Beman and Miss Trenkle visited at their homes during the week-end.

TEACHERS TO ATTEND CONFERENCE

The members of the school faculty will attend the annual state conference of teachers of the Central Western Zone in Rochester, November 2 and 3. The conference program includes a general meeting with David Cushman Coyle, noted author and lecturer, and Dr. Hughes Mearns, Professor of Education at New York University as the principal speakers. The rest of the meeting time is given over to sectional meetings.

FIRE DRILL HELD THURSDAY

A fire drill was held Thursday of last week, during the middle of the afternoon. Principal Bretch made a favorable comment on the speed and quietness which characterized the exit from the building.

State law requires a certain number of fire drills a year. At intervals these drills will be held, so that at all times pupils must be prepared to make their exit at the given signal.

Mrs. Joyce: "When do the leaves turn, Joe?"
Leo Fulkerson (thinking hard): "The night before exams."

"Say, John, did you know Joe McAndrew is hurt quite badly?" asked Phil Lynch.
"No, how-zat?" replied John Cannon.

Phil L.: "He heard someone say that you could get your pants pressed by a steam roller."
J. Cannon: "Then what?"
P. Lynch: "He went to get his pants pressed, but forgot to take 'em off."

Mrs. Pope: "What did you learn today at school, Farnham?"
Farnham Pope: "Oh, nothing at all. There must be something wrong with my teacher."
