Recipe for the Week VANILLA CARAMELS (A Delicious Christmas Candy) 1 cup granulated sugar 1 cup light corn syrup 1/2 cup butter or mayonnaise 1/2 teaspoon salt 1 cup light or coffee cream 1 teaspoon vanilla extract. Combine all of the ingredients but the vanilla. Place over a low heat and bring slowly to the boiling point, stirring frequently. Cook slowly until a little of the mixture forms a firm ball in cold water. Remove from heat and add vanilla and turn into a greased pan six by six inches. Cool and cut into one inch squares. Makes about 1 1/2 pounds.

Daily Household Hints 1.—Don't turn off the water faucets with all your strength, as it is very hard on the washers and means new ones soon. Turn off the spigots so that all the water has stopped running and then stop turning. 2.—If the percolator becomes stained inside, put one teaspoonful of borax, some soap chips and hot water into it and then boil. Rinse thoroughly with boiling water and dry well.
