FLOOD RESOLUTION

Sixteen Counties of Flood Area Now Promoting the Control Council.

Binghamton.--Adopting a resolu-by her radio admirers as Mrs. Gran-1 tion endorsing proposed legislation ger. to permit counties to participate fi- ferent widely varied characters in holders of The Andover National New York, the Broome county board when she visits Alfred. and central New York in promoting LaFollette and Dr. William Beebe. year and for the transaction of such Clark and nine children. activities of the Flood Control Coun- Following Miss Gordon will be other business as may properly come

Copies of the proposed legislation Sigmund Spaeth on March 20th. have been sent to all boards of supervisors in the flood area of New York by Michael H. Cahill of Corning, president, with the request that endorsing resolutions be adopted. The text of the proposed legislation

"Section 12 of the county law is! hereby amended by adding thereto a new subdivision known as Subdivision 55-A to read as follows: "Subdivision 55-A. The Board of Supervisors of any county may, b resolution, appropriate and pay over to any organization, incorporated or unincorporated, which has for its object the control of flood waters, such sums of money as it may deem proper for the administration ex penses of such organization." Counties in the flood area are

Allegany, Broome, Chemung, Che nango, Cortland, Delaware, Livingston, Ontario, Otsego, Schuyler, Seneca, Steuben, Sullivan, Tioga, Tomp kins and Yates.

UNEMPLOYMENT AND RETIREMENT LAV

(Continued from First Page) eral law will be administered by the Social Security Beard, Washington All employers of labor coming ur der the law must, after January 1936, keep their records to show the following about each of their employees: (a) name and address; (b) wages carned during cach payroll period; (c) number of days worked during payroll period; (d) total number of hours "orked during paproll period; (e) full scheduled hours per week for employees c group of employees; (f) date when employee quits, or is "laid off," eith er permanently, temporarily, or discharged; (g) date employee is hired or reinstated after a "lay-off," or rehired; (h) place of employment (city, town, village.) Space should also be provided on the employer's records for the employee's insurance number which will be issued either! by the State Unemployment Insur-

ance Division or the Federal Social

Security Board. A registration number will be given each employee. Benefits Under Unemployment Insurance Unemployment insurance benefits will begin after January 1, 1938, when each eligible unemployed person will be entitled to 50 per cent j of his full time weekly wages, the maximum being \$15 and the minimum \$5 a week. No person can receive benefits for more than 16 weeks in any 52 consecutive weeks. To be eligible for benefits, employees must (a) Be totally unemployed; (b) Being unemployed after January 1, 1938, must register at some state unemployment office and report for work; (c) Benefits will be paid only after a three weeks waiting period; (d) Must have been employed in employment covered the law for 90 days in the preceding 12 months, or 130 days in previous 24 months; (e) must be available and capable of employment, and unable to secure his usual em-! ployment, or that for which he is fitted by training and experience; (f) Will not receive benefits for unemployment for more than 1 months after date on which he was Tast employed. There is no age Ilmit in the Unemployment Insur-The Federal Govern-

Act ' This will not begin until after January 1, 1942 and are paid by the Federal government. The requirements are: (a) Applicant must be at least 65 years old; (b) Must have received no less than a total wage of \$2,000 after December 31, 1936 and before reaching 65; (c) Must have been paid wages on some day in each of the five years after December 31, 1936 and before the age 65.
