Glass Containers Are Advocated for Maple Syrup

Several meetings in the interest of the maple sugar products, for which this locality is famed for superior quality, has been held recently in the county with instructors in forestry and up to date methods of producing the sweets from the trees into syrup and sugar in attendance. The question of using glass containers in place of tin for the marketing of the syrup is being discussed and seems to be thought advisable by many producers.

Three Cheers

"So you graduated from barbers' college? What was your college yell?"

"Cut his lip, rip his jaw; leave his face raw, raw, raw!"

Service

The motorist had just pulled into the gasoline station for a refill. The attendant was going thru his little ritual:

"Check the oil, sir?"

"No, it's O. K."

"Got enough water in the radiator?"

"Yep, filled up."

"Anything else, sir?"

"Would you please stick out your tongue so I can seal this letter?"

News From Son

The father wrote to the college professor: "Haven't heard from my son for some time; hope he's not sick. If he has been I hope he's improving."

The professor replied: "Son not sick; and not improving."

Any Bounty?

Alfalfa like: "What happened to that tenderfoot that was out here last week?"

Badger Pete: "Oh, he was brushing his teeth with some of that new-fangled toothpaste and one of the boys thought he had hydrophobia and shot him."

Encouraging

A city chap was crossing a pasture. "Say there," he shouted to a farmer, "is this bull safe?"

"Well," said the farmer, "I reckon he's a lot safer than you are just now."

Kangaroo Story

1st Kangaroo: "Annabelle, where's the baby?"

2nd Kangaroo: "My goodness, I've had my pocket picked."
