Baker's Hardware News

Food Choppers

Griswald has those cast iron convex cutters which shear against convex cast iron shoulders and thus cut without crushing or tearing. To sharpen any cutter simply tighten it in place and turn crank backward. Smooth castings of special iron are given rustless, sanitary and easily cleaned surfaces by extra tinning. All parts are accurately machined and fitted. Built to last a lifetime. This food chopper soon pays for itself by making appetizing dishes from leftovers. Griswald "The original and still the best."

Sash Cord and Clothes Line

Our line of sash cord and clothes lines meets the demand for a good reliable cord at a moderate price. It is made of good yarn thruout, firmly braided, smoothly finished and is uniform in strength. It will remain strong and durable after long use. Prices vary from 25c to 75c.

Can Openers

No longer can any woman afford to put up with awkward stabbing and hacking to open cans. No longer can she afford to risk infection. Safety Roll, the popular perfected can opening machine ends fuss and muss; ends trouble, banishes danger forever. Buy one at Baker's for only 10c.
