The Conservation Department has issued an order forbidding the taking of mullet, carp, bullheads, dogfish, suckers or eels by the use of spears in Cuba Lake or Raw Creek.

William Woodruff has acquired a Petrolia cheese factory and will operate the same in connection with other factories this summer. A meeting of interested parties was held Saturday, Mar. 28th.

Mrs. James Guinn received a letter from her sister, Mrs. D. A. Murray of Johnstown, Pa., that they are in the recent flood with 19 feet of water in their house. They are everything in the first floor but escaped themselves.

The Women's Foreign Missionary Society of the M. E. church observed Founders' Day at their meeting at the church parlors Sunday afternoon. The Women's Auxiliary, the eight Bearers and the King's Heralds all had parts on the program. The meeting was followed by a friendly social time and light refreshments were served.

Regular meeting Edward Seaman, W. R. C., Saturday night.

The cost of the recent flood is now estimated at two billion dollars. Many claim it will total much more. Allegany County School Men's Club are considering sponsoring a speaking contest to be held in the near future.

Mr. and Mrs. Henry Beahl and family have moved from the John Clair farm in East Valley to the Harry Smith farm on Pingrey Hill.

Rev. Edgar VanHorn of Alfred Station has received notice of his appointment by the New York State Anti-Saloon league to its board of trustees.

The teachers of Willing and Independence will hold a half-day conference this Friday afternoon, April 3rd, meeting at the Stone Dam school, Edward Lynch, teacher.

A mistake was made in the name of Mrs. Ruger who passed away last week. It should have been Mrs. Royce Ruger instead of Mrs. Louis Ruger as printed in last week's News.

The remains of Adorno Smith were brought from Bradford, Pa., to Alfred last week for burial in Alfred Rural cemetery. Deceased was the son of the late Noel Smith of Alfred Station.

The annual Founders Day program of the Methodist church was observed here Sunday afternoon. A program of special interest was presented in charge of the ladies societies affiliated with the church body.

Strict enforcement of the law which compels drivers to halt behind school buses discharging children is promised in Allegany county in the future, according to a warning issued from the State Police office in Friendship.

Jesse Brown, 82, of Friendship, who was committed to Napanock in 1933 and Willard in 1934 went wild in the storm and challenged passers-by until he stopped a State Trooper. This time he was sent to Monroe county penitentiary.

Two Allegany county boys, C. W. Flint and E. C. Murphy, of Scio have enlisted in the United States Navy and are located the Newport, R. I. Naval training station for three months training when they will be stationed on ship of the fleet.

George Greets of Shinglehouse, widely known as a baseball player, has signed with the Piedmont League, N. C., and left this week for camp at Goldsboro, N. C., where he will be stationed for training until the league season opens at Raleigh.

Mrs. M. J. Crowley of Bolivar has presented a Hammond electric organ to St. Bonaventure college as a memorial to her late husband, the late Michael J. Crowley, prominent oil producer and to her late son, Stephen D. Crowley. The organ will be known as the Crowley Memorial Organ.

Among the highlights of Alfred University this season was the visit of Toyohiko Kagawa, renowned Japanese Christian leader, who visited that village Monday afternoon and addressed a large audience at Alumni Hall. After the lecture he met the newspapermen in a short interview.

Trout season opens April 4th.

Easter hat showing at Miss McLaughlin's millinery parlors.

Mr. and Mrs. Frank Slocum have moved from Pingrey Hill to the Crandall house on Dyke street.

Harold C. Gould of Alfred has received his appointment as acting postmaster of the Alfred postoffice and has assumed his duties.

An Elmira truck from the Salvation Army service department was in Andover Saturday collecting old newspapers for the Salvation Army.

Karl N. Best, son of Mr. and Mrs. Calvin Best of Kossuth, has enlisted in the United States Army and is located at Madison Barracks near Watertown, N. Y.

Cassir R. Adams, publisher of the Cuba Patriot, returned to his home last week after three weeks at the Dansville Physical Culture Hotel, much improved in health.

Members of the New York Alumni group of Alfred University, to the number of 140, held their annual dinner and meeting the evening of March 21st at the Town Hall Club in New York City.

Mr. and Mrs. Edward Erickson of Olean are the proud parents of a baby girl two weeks old. Mrs. Erickson was formerly Miss Frances Tannies, a niece of Mrs. Ezra Slocum and a frequent visitor in Andover.

The senior class of the Cuba high school are planning to make a trip to Washington, D. C. They expect to leave April 10th and return April 13th. The trip is to be made in a bus which the class has chartered for that purpose.

The use of artificial coloring so-called orange drinks which makes them simulate orange juice is prohibited under the New York State Agriculture and Markets law, according to an opinion released by the department recently.

The last report of the Motor Vehicle Bureau gives 32 revocations and 30 suspensions in the Buffalo district. Allegany county had but one, however, Gerald S. DeGroff of Little Genesee had his license revoked for reckless driving.

Harbors on the American side of the Great Lakes are getting deeper while those in Canada are growing more shallow, according to Capt. H. V. Canan, U. S. Corps of Engineers, who claims this is due to a gradual "tilt" in this locality.

The remains of John Henry Driscoll were taken to Cuba last week from New York City for burial. Mrs. Gertrude Witter Driscoll, who accompanied the remains of her husband, returned to the city to continue her duties as a teacher.

Clinton Harvey, former resident of Belmont, died March 29th from the results of an auto accident last Friday in which his father, George Harvey was instantly killed and his mother seriously injured. The body was brought to Belmont for funeral service and burial Wednesday.

Ten head of cattle on the S. B. Scott farm, Canaseraga, were nearly overcome by monoxide gas from a Ford touring car left with the engine running in the barn. The cattle were driven into the open air where it was some time before they fully recovered from the effects.

The Whitesville News of last week featured a fine writeup by Mrs. C. A. Clarke, descriptive of a cruise which she recently enjoyed in company with Mrs. Mae Probasco and daughter, Rettagene. They visited Miami, Jamaica, Curacira, South America, Panama and Cuba. The trip was made on the steamer Evangeline which furnishes everything for the comfort and entertainment of their guest passengers.

Several Allegany county farmers of advanced years have told the News that our farmers need not be alarmed over the recent ice storm ruining their sugar maples. Among them we quote Myron Witter of Whitesville, who states that storms in 1900 and 1901 did as much damage to the trees as did the one which mutilated them so badly two weeks ago. At the time of the storms of 1900-1901 Mr. Witter operated a sugar bush with no serious damage from the ice storm. He says "some sap will be lost and production lowered to a certain percentage this season but no permanent damage will result."

Baker's Hardware News

Looking Around

Do you find some corners of the home that the spring sunshine shows up a little shoddy? Don't forget a few cents worth of Utillac applied with taste will work wonders. It's fun to paint with Utillac—use it in the morning and settle things back in place the same afternoon.

We also have small cans for small jobs where there are just a few places that need brightening up. An assortment of colors at 10c per can.

Brighten your furniture with Floral Transfer Patterns; they add beauty and distinction at great economy, and are so easy to apply. See our style book for suggestions.

Roller Skates - Wagons

This is the time that children are looking up wheel goods. We have Roller Skats, popularly priced from \$1.00 up. Coaster Wagons at \$3.50 and tricycles at \$4.00. Go to Baker's for your wheel goods—the stock is complete.

Door Mats

Save a lot of cleaning and dusting by keeping the muss outside. Cocoa Mats at \$1.00.

Dic-A-Doo

Is the perfect easy paint cleaner—dissolves dirt and leaves the surface uninjured. Keep a package handy—Price 15 and 35c.

Filling Holes

Plastered walls are not bomb proof; they crack and fall, leaving ragged holes which may only be mended by a substance made for that purpose.

This need is supplied with Rutland Patching Plaster, a product that may be used by anyone—no special tools are needed to insure a good smooth job level with adjoining surface and no cracks around the edges.

When freshly mixed it is as easily handled as putty; when dry it is as hard as cement.

It is packaged to suit your needs and the left over will keep until needed.

Hoes-Rakes-Trowels

It is a tedious job to care for a lawn and garden without good tools. We have a good assortment of garden and lawn rakes and good substantial hoes and trowels that will make your outdoor spring cleaning a real pleasure. Get your's while the stock is complete—the prices are right.

Jiffy Paste

The season for papering is here! Why go to all the fuss and bother of making flour paste when Jiffy Paste will solve the problem easily and economically?

In any quantity, 15c per lb.
